

6082-S

Sponsor(s): Senate Committee on Trade, Technology & Economic Development (originally sponsored by Senators Snyder, Bluechel, Amondson, Skratek, Hargrove, Sheldon, Owen, M. Rasmussen, Oke and Erwin)

Brief Description: Changing provisions relating to the center for international trade in forest products.

SB 6082-S - DIGEST

(DIGEST AS ENACTED)

Directs the center to cooperate with the community and technical colleges in their development of wood products manufacturing and wood technology curriculum.

Requires the curriculum to be made available in every college district that serves a timber impact area.

Directs the development of a competency-based technical degree program.

Revises the membership of the executive policy board.

Extends the expiration date for the center to June 30, 2000.
