
HOUSE BILL 1410

State of Washington

54th Legislature

1995 Regular Session

By Representatives Silver and Sommers; by request of Office of
Financial Management

Read first time 01/24/95. Referred to Committee on Appropriations.

1 AN ACT Relating to fiscal matters; making appropriations and
2 authorizing expenditures for the operations of state agencies for the
3 fiscal biennium beginning July 1, 1995, and ending June 30, 1997;
4 amending RCW 41.06.150 and 90.56.510; creating new sections; providing
5 an effective date; and declaring an emergency.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** (1) A budget is hereby adopted and, subject
8 to the provisions set forth in the following sections, the several
9 amounts specified in the following sections, or so much thereof as
10 shall be sufficient to accomplish the purposes designated, are hereby
11 appropriated and authorized to be incurred for salaries, wages, and
12 other expenses of the agencies and offices of the state and for other
13 specified purposes for the fiscal biennium beginning July 1, 1995, and
14 ending June 30, 1997, except as otherwise provided, out of the several
15 funds of the state hereinafter named.

16 (2) Unless the context clearly requires otherwise, the definitions
17 in this section apply throughout this act.

18 (a) "Fiscal year 1996" or "FY 1996" means the fiscal year ending
19 June 30, 1996.

12 regulatory reform bill, Z-. . ./95. If this or substantially similar
13 legislation fails to pass before June 30, 1995, then this amount shall
14 be used by the department to fund the ongoing planning and
15 implementation requirements of local jurisdictions that have completed
16 comprehensive plans as required by the growth management act.

17 (3) \$6,610,000 of the general fund--state appropriation is provided
18 solely for grants to local jurisdictions for planning and
19 implementation activities resulting from the growth management act.
20 \$1,646,000 is provided for grants or contracts with local jurisdictions
21 in compliance with the requirements of the growth management act to
22 address ongoing planning, integration, and implementation issues in
23 tandem with funding provided in the environmental analysis revolving
24 loan account. \$2,000,000 is provided only in the first year of the
25 biennium for local jurisdictions which, for various reasons, have not
26 met the planning deadlines established in the act. If at the end of
27 the first year any portion of the \$2,000,000 is unspent, the department
28 shall combine the remaining balance with the amount provided under this
29 subsection to fund ongoing planning, integration, and implementation
30 issues.

31 (4) In order to offset reductions in federal community services
32 block grant funding for community action agencies, the department shall
33 set aside \$4,800,000 of federal community development block grant funds
34 for distribution to local governments to allocate to community action
35 agencies state-wide.

20 development for grant administration and program evaluation,
21 monitoring, and reporting, pursuant to federal requirements;

22 (i) \$51,000 to the Washington state patrol for data collection;

23 (j) \$445,750 to the office of financial management for the criminal
24 history records improvement program;

25 (k) \$42,000 to the department of community, trade, and economic
26 development to support local services to victims of domestic violence;
27 and

28 (l) \$929,000 to the division of juvenile rehabilitation for
29 substance abuse treatment during confinement.

30 (6) \$1,000,000 of the general fund--state appropriation is provided
31 solely for contracts with recipients of federal technology assistance
32 project grants. In cooperation with the recipients of the federal
33 support the department shall establish a state-wide manufacturing
34 technology extension system to provide state-of-the-art technical
35 assistance to Washington manufacturers.

36 (7) \$1,080,000 of the general fund--state appropriation is provided
37 solely to enhance the delivery of regional fire services. The
38 department shall use these funds to:

1 (a) Establish an arson investigation capability to assist local
2 jurisdictions in the investigation of arson events; and

3 (b) Enhance the fire safety inspection of childcare, nursing home,
4 hospital, and other public facilities as required by law.

5 (c) Provide other services to improve the quality and availability
6 of fire protection services state-wide.

PART II
HUMAN SERVICES

NEW SECTION. **Sec. 201. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES.** (1) Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that will require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapsing of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

NEW SECTION. **Sec. 202. FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--CHILDREN AND FAMILY SERVICES PROGRAM**

General Fund--State Appropriation	\$	323,023,000
General Fund--Federal Appropriation	\$	263,839,000
General Fund--Private/Local Appropriation	\$	400,000
Violence Reduction/Drug Enforcement--State Appropriation	\$	12,749,000
Health Services Account--State Appropriation	\$	6,776,000

1 TOTAL APPROPRIATION \$ 606,787,000

2 The appropriations in this section are subject to the following
3 conditions and limitations:

4 (1) \$1,600,000 of the general fund--state appropriation and
5 \$10,086,000 of the general fund--federal appropriation are provided
6 solely for the modification of the case and management information
7 system (CAMIS). Authority to expend these funds is conditioned on
8 compliance with section 902 of this act.

9 (2) The department shall develop an implementation plan for a new
10 system to support out-of-control youth and families in conflict. In
11 addition, the implementation plan shall address the expansion of family
12 preservation services state-wide. This plan shall be submitted to the
13 governor and to the legislature by December 1, 1995.

14 (3) \$9,027,000 of the violence reduction/drug enforcement account
15 appropriation, \$6,667,000 of the general fund--federal appropriation,
16 and \$151,000 of the general fund--state appropriation are provided
17 solely to the family policy council and the community public health and
18 safety networks. In addition to the ongoing activities of the family
19 policy council and the community networks, the family policy council is
20 directed to: (1) Form time-limited steering committees of several
21 state agencies to link and eliminate access barriers to the following
22 services: Teen pregnancy prevention, substance abuse prevention, youth
23 suicide prevention, and domestic violence/sexual assault; (2) establish
24 and make available a state-wide prevention resource center, which
25 includes materials and resources for special populations of ethnic
26 diversity and special health care needs; and (3) provide training,
27 design, technical assistance, and consultation to community public
28 health and safety networks to assist them in the development and
29 implementation of their comprehensive plans.

28 (4) The appropriations in this section are subject to the following
29 conditions and limitations:

30 (a) The population of the state residential habilitation centers
31 shall be reduced by at least 84 persons by June, 1997. This shall be
32 accomplished by providing appropriate community services for those
33 residents who are most ready to move, and by closing the Frances Haddon
34 Morgan Center. In implementing this change, the secretary of social
35 and health services shall assure that:

36 (i) No individual shall be moved from an institutional to a
37 community setting until sufficient services and support arrangements

1 are in place to assure the individual's health, safety, personal well-
2 being, and continued growth and development on an ongoing basis; and

3 (ii) A transition plan is developed and implemented for state
4 employees dislocated by this change. The plan shall be tailored to the
5 situations of individual workers and shall include strategies such as
6 individual employment counseling through the departments of personnel
7 and employment security; retraining and placement into other state
8 jobs; placement of state employees with private contractors; and
9 assistance establishing private community service programs.

10 (b) The department, in consultation with consumers, advocates,
11 counties, tribal governments, and affected state employee unions will
12 undertake a study and report to the governor by December 1, 1995, on
13 the feasibility of implementing a county-administered managed care
14 system which emphasizes individual and/or family need. The study will
15 include:

16 (i) An analysis of the feasibility of implementing managed care for
17 persons of disability, including quality of care, consumer
18 satisfaction, equality of access, and the associated costs and
19 financial risks;

20 (ii) Management structures required to operate a managed care
21 approach;

22 (iii) Strategies to increase access for people and communities of
23 diversity;

24 (iv) Transition and integration of administrative responsibilities
25 for residential, case management, residential habilitation centers,
26 employment, family support, and birth to six and early intervention
27 programs;

28 (v) Reimbursement system modifications necessary to achieve
29 capitated rates including needed federal waivers;

30 (vi) Redefinition of the current roles and responsibilities of
31 state, county, and provider organizations;

32 (vii) Implementation schedule to include key tasks, timelines, and
33 assignment of responsibilities; and

34 (viii) Outcome and evaluation methods needed to assess the
35 effectiveness of a managed care approach for people of disability.

36 (c) \$1,015,000 of the program support general fund--state
37 appropriation is provided solely for distribution among the five
38 regional deaf centers for services for the deaf and hard of hearing.

1 The appropriations in this section are subject to the following
2 conditions and limitations:

3 (1) \$9,544,000 of the total appropriation is provided solely for
4 the grant programs for school districts and educational service
5 districts set forth in RCW 28A.170.080 through 28A.170.100, including
6 state support activities, as administered through the office of the
7 superintendent of public instruction.

8 (2) Within the funds appropriated in this section, the division
9 shall support the activities of the fetal alcohol syndrome (FAS)
10 adolescent task force and provide training on FAS issues to the drug
11 information hotline staff.

12 NEW SECTION. **Sec. 209. FOR THE DEPARTMENT OF SOCIAL AND HEALTH**

17	Health Services Account--State Appropriation	\$	156,287,000
18	TOTAL APPROPRIATION	\$	3,620,848,000

19 The appropriations in this section are subject to the following
20 conditions and limitations:

21 (1) Funding is provided in this section for the adult dental
22 program for Title XIX categorically eligible and medically needy
23 persons and to provide foot care services by podiatric physicians and
24 surgeons.

25 (2) The department shall contract for the services of private debt
26 collection agencies to maximize financial recoveries from third parties
27 where it is not cost-effective for the state to seek the recovery
28 directly.

29 (3) It is the intent of the legislature that Harborview medical
30 center continue to be an economically viable component of the health
31 care system and that the state's financial interest in Harborview
32 medical center be recognized.

33 (4) \$21,525,000 of the health services account--state appropriation
34 and \$21,031,000 of the general fund--federal appropriation is provided
35 solely to increase dental access for children.

25	TOTAL APPROPRIATION	\$	219,832,000

26 The appropriations in this section are subject to the following
27 conditions and limitations:

28 (1) The department shall contract with private collection agencies
29 to pursue collection of AFDC child support arrearages in cases that
30 might otherwise consume a disproportionate share of the department's
31 collection efforts. The department's child support collection staff
32 shall determine which cases are appropriate for referral to private
33 collection agencies pursuant to this section. In determining
34 appropriate contract provisions, the department shall consult with
35 other states that have successfully contracted with private collection

1 agencies to the extent allowed by federal support enforcement
2 regulations.

3 (2) The department shall request a waiver from federal support
4 enforcement regulations, to replace the current program audit criteria
5 which is process-based, with performance measures based on program
6 outcomes.

22 The appropriations in this section are subject to the following
23 conditions and limitations:

24 (1) \$2,466,000 of the general fund--state appropriation is provided
25 for the implementation of the Puget Sound water quality management
26 plan.

27 (2) \$10,000,000 of the public health services account appropriation
28 is provided solely for distribution to local health departments for
29 distribution on a per capita basis. Prior to distributing these funds,
30 the department shall adopt rules and procedures to ensure that these
31 funds are not used to replace current local support for public health
32 programs.

33 (3) \$13,600,000 of the public health account appropriation is
34 provided solely for distribution to local health departments for
35 capacity building and community assessment and mobilization.

36 (4) \$2,400,000 of the health services account appropriation is
37 provided solely for public health information systems development.
38 Authority to expend this amount is conditioned on compliance with
39 section 902 of this act.

1 (5) \$2,300,000 of the health services account appropriation is
2 provided solely for state level capacity building.

3 (6) \$2,000,000 of the health services account appropriation is
4 provided solely for training of public health professionals.

5 (7) \$200,000 of the health services account appropriation is
6 provided solely for the American Indian Health Plan.

7 (8) \$3,530,000 of the health services account appropriation is
8 provided solely for data activities associated with health care reform.

9 (9) The department of health shall not initiate any services that
10 will require expenditure of state general fund moneys unless expressly
11 authorized in this act or other law. The department may seek, receive,
12 and spend, under RCW 43.79.260 through 43.79.282, federal moneys not
13 anticipated in this act as long as the federal funding does not require
14 expenditure of state moneys for the program in excess of amounts
15 anticipated in this act. If the department receives unanticipated
16 unrestricted federal moneys, those moneys shall be spent for services
17 authorized in this act or in any other legislation that provides
18 appropriation authority, and an equal amount of appropriated state
19 moneys shall lapse. Upon the lapsing of any moneys under this
20 subsection, the office of financial management shall notify the
21 legislative fiscal committees. As used in this subsection,
22 "unrestricted federal moneys" includes block grants and other funds
23 that federal law does not require to be spent on specifically defined
24 projects or matched on a formula basis by state funds.

25 (10) The department is authorized to raise existing fees for
26 nursing assistants and hypnotherapists in excess of the fiscal growth
27 factor established by Initiative 601, if necessary, in order to meet
28 the actual costs of investigative and legal services due to
29 disciplinary activities.

19	Appropriation	\$ 1,019,000
20	TOTAL APPROPRIATION	\$ 238,486,000

21 The appropriations in this section are subject to the following
22 conditions and limitations:

23 (1) \$5,983,000 of the general fund--state appropriation are
24 provided solely for the implementation of the Puget Sound water quality
25 management plan. In addition, \$394,000 of the general fund--federal
26 appropriation, \$819,000 of the state toxics control account
27 appropriation, \$3,591,000 of the water quality permit fee account
28 appropriation, and \$2,715,000 of the oil spill administration account
29 appropriation may be used for the implementation of the Puget Sound
30 water quality management plan.

31 (2) \$5,795,000 of the general fund--state appropriation is provided
32 solely for the watershed resource management planning efforts. Of this
33 amount \$5,000,000 are intended for local and tribal participants in the
34 watershed resource management plans for technical studies, facilitation
35 services and other relevant activities. It is assumed that five
36 watershed resource management plans will be initiated each year of the
37 biennium, with the goal of having 15 concurrent plans underway at one
38 time. The timing of this effort assumes that the third series of five

1 watershed resource management plans will be initiated in fiscal year
2 1998, the first year of the 1997-99 biennium.

3 (3) \$406,000 of the general fund--state appropriation is provided
4 solely for the department's participation in the implementation of the
5 watershed resource management plans for the Methow Valley and the
6 Dungeness and Quilcene watersheds.

7 (4) \$2,000,000 of the water resources administration account
8 appropriation is provided solely for the continued implementation of
9 the water resources data management program.

10 (5) \$2,000,000 of the state toxics control account appropriation is
11 provided solely for the following purposes:

12 (a) To conduct remedial actions for sites for which there are no
13 potentially liable persons or for which potentially liable persons
14 cannot be found;

15 (b) To provide funding to assist potentially liable persons under
16 RCW 70.105D.070(2)(d)(xi) to pay for the cost of the remedial actions;
17 and

18 (c) To conduct remedial actions for sites for which potentially
19 liable persons have refused to comply with the orders issued by the
20 department under RCW 70.105D.030 requiring the persons to provide the
21 remedial action.

22 (6) \$2,000,000 of the air pollution control account appropriation
23 is provided solely to implement an enhanced emission and inspection
24 program in the Spokane region.

25 (7) \$250,000 of the flood control assistance account is provided
26 solely for a grant or contract to the lead local entity for technical
27 analysis and coordination with the Army Corps of Engineers and local
28 agencies to address the breach in the south jetty at the entrance of
29 Grays Harbor.

30 (8) The department is authorized to raise waste water discharge
31 permit fees authorized in RCW 90.48.465 in excess of the fiscal growth
32 factors established in RCW 43.135.055.

30	Appropriation	\$ 831,000
31	Transportation Account--State Appropriation	\$ 1,504,000
32	TOTAL APPROPRIATION	\$ 215,275,000

33 The appropriations in this section are subject to the following
34 conditions and limitations:

35 (1) \$1,532,000 of the general fund--state appropriation is provided
36 solely to implement the Puget Sound water quality management plan.

1 (2) \$250,000 of the general fund--state appropriation is provided
2 solely for attorney general costs on behalf of the department of
3 fisheries, department of natural resources, department of health, and
4 the state parks and recreation commission in defending the state and
5 public interest in tribal shellfish litigation (*United States v.*
6 *Washington*, subproceeding 89-3). The attorney general costs shall be
7 paid as an interagency reimbursement.

8 (3) \$140,000 of the wildlife fund--state appropriation is provided
9 solely for a cooperative effort with the department of agriculture for
10 research and eradication of purple loosestrife on state lands.

11 (4) \$258,000 of the general fund--state appropriation is provided
12 solely for the department's participation in the implementation of
13 watershed resource management plans for the Methow Valley and the
14 Dungeness - Quilcene watersheds.

15 (5) \$858,000 of the general fund--state appropriation is provided
16 solely for agency participation in the development of regional water
17 resource management plans.

18 (6) \$900,000 of the general fund--state appropriation is provided
19 solely for the Washington conservation corps program established under
20 chapter 43.220 RCW.

21 (7) \$15,000,000 of the general fund--state appropriation is
22 provided for the Watershed Restoration Jobs Grant Program.

23 (a) The goals of this program are to:

24 (i) Restore and protect fish and wildlife habitat in priority
25 watersheds as established by the watershed coordinating council;

26 (ii) Provide good wage jobs for dislocated natural resource workers
27 in distressed communities; and

28 (iii) Assist in establishing new businesses in watershed
29 restoration; and

30 (iv) Carry out projects developed through local initiatives.

31 (b) \$750,000 of this amount is provided solely for watershed
32 restoration programs to be completed by the department of ecology s
33 Washington conservation corps crews in priority watersheds as
34 established by the watershed coordinating council.

35 (c) \$570,000 of this amount shall be used by the department of fish
36 and wildlife to provide technical and engineering support for watershed
37 restoration projects and to monitor implemented projects.

38 (d) State agencies shall expend no more than three percent of total
39 funding for direct administration of this program, except funds

1 expended by the Washington Conservation Corp shall be subject solely to
2 the limitations set forth in RCW 43.220.230. Of this amount \$350,000
3 is solely for the Department of Fish and Wildlife to administer the
4 program. The remaining amount may be used by appropriate state
5 agencies as determined by the watershed restoration jobs grant advisory
6 taskforce created in (h) of this section.

7 (e) State agencies, local governments, tribes and non-profit
8 organizations shall be eligible for these grants. Funds may be
9 expended for directly associated planning, design and engineering
10 costs. Funds shall be used for specific projects and not for ongoing
11 operational costs. Examples of the type of eligible projects include,
12 but are not limited to closure or improvement of forest roads, repair
13 of culverts and removal of fish passage barriers, and stream
14 restoration and protection.

15 (f) At least \$11,000,000 of this amount shall be allocated for
16 projects selected on the following basis:

17 (i) The watershed priorities established by the watershed
18 coordinating council;

19 (ii) The number of dislocated natural resource workers employed by
20 the project;

21 (iii) The extent to which the project fits into an existing
22 watershed plan;

23 (iv) The extent of local partnerships or match for the project.

24 (g) \$2,000,000 of this amount shall be allocated for projects in
25 nonpriority watersheds, which are based on strong scientific principles
26 and which employ dislocated natural resource workers.

27 (h) The department of fish and wildlife and the department of
28 natural resources shall administer the program in consultation with the
29 watershed coordinating council. For the purposes of administering this
30 program the department of fish and wildlife and the department of
31 natural resources shall create a watershed restoration jobs grant
32 advisory taskforce. This taskforce shall consist of the department of
33 fish and wildlife, the department of natural resources, the department
34 of ecology, the Puget Sound water quality authority, the executive
35 director of the Washington conservation commission, the employment
36 security department, the workforce training board and the rural
37 community assistance coordinator who shall serve as the taskforce
38 chair. The taskforce shall consult with tribal governments, the
39 federal government, and with labor and other interested stakeholders.

1 (i) The department of fish and wildlife and the department of
 2 natural resources shall, in consultation with the watershed
 3 coordinating council, provide a report on the effectiveness of the
 4 watershed restoration jobs grant program to the governor and
 5 legislature by October 1, 1996.

 30 conditions and limitations:

31 (1) \$13,993,000 of the general fund--state appropriation is
 32 provided solely for the emergency fire suppression subprogram.

33 (2) \$36,000 of the general fund--state appropriations is provided
 34 solely for the implementation of the Puget Sound water quality
 35 management plan. In addition, \$957,000 of the aquatics lands
 36 enhancement account is provided for the implementation of the Puget
 37 Sound water quality management plan.

1 (3) \$450,000 of the general fund--state appropriation and \$900,000
2 of the resource management cost account appropriation are provided
3 solely for the displaced forest-products worker program under chapter
4 50.70 RCW.

5 (4) \$1,400,000 of the general fund--state appropriation is
6 provided solely to address stewardship needs on state lands. Of this
7 amount, \$1,250,000 shall be expended for the Washington conservation
8 corps program established under chapter 43.220 RCW.

9 (5) \$350,000 of the general fund--state appropriation is provided
10 solely for cooperative monitoring, evaluation, and research projects
11 related to implementation of the timber-fish-wildlife agreement.

12 (6) \$450,000, of which \$225,000 is from the resource management
13 cost account appropriation and \$225,000 is from the aquatic lands
14 enhancement account appropriation, is provided solely for the control
15 and eradication of Spartina.

16 (7) \$2,231,000 of the general fund--state appropriation is provided
17 solely for increased watershed analyses in priority watersheds. To the
18 extent possible, the department shall conduct these analyses in high
19 priority watersheds as identified by the watershed coordinating
20 council.

21 (8) \$2,000,000 of the general fund--state appropriation is provided
22 solely to the department of natural resources, in conjunction with the
23 department of fish and wildlife, to implement a pilot forest habitat
24 incentive program on private timber lands in the state. The goal of the
25 program is to lengthen timber harvest rotations from the current 50
26 year regime to a 90 year regime and to create both quality habitat and
27 higher quality wood.

28 (a) The department of natural resources and the department of fish
29 and wildlife, in consultation with the watershed coordinating council,
30 shall jointly select a watershed to implement the program.

31 (b) The department of fish and wildlife shall develop habitat
32 objectives for the pilot watershed. These objectives would address
33 critical fish and wildlife habitat and the needs of threatened and
34 endangered species.

35 (c) The two departments shall jointly develop habitat treatment
36 specifications necessary to achieve habitat objectives within the pilot
37 watershed. Such specifications should address issues such as thinning
38 ratios, large woody debris requirements, buffer needs, 60-90 year
39 rotation etc.

1 (d) The department of natural resources shall solicit contracts
2 from landowners within the pilot watershed for thinning and habitat
3 treatments of the desired acreage. The agency may pay up to \$1,000 an
4 acre for the desired treatment. These contracts shall specify a
5 desired time period to both maintain habitat and to allow harvest after
6 a specific holding period. This period would generally be for no less
7 than 90 years.

8 (e) The department, department of fish and wildlife and the
9 department of revenue, shall provide a report to the governor and the
10 legislature by October 1, 1996, on the effectiveness of the program,
11 its suitability for continuation, and draft legislation for a tax
12 incentive program to continue the program in future biennium.

13 (f) State agencies shall expend no more than six percent of this
14 appropriation for administration of this program.

15 (9) \$548,000 of the general fund--state appropriation and \$120,000
16 of the resource management cost account appropriation are provided
17 solely to conduct a condition inventory and to complete coordinated
18 resource management plans on agency range and agricultural lands in
19 order to bring these lands into compliance with habitat management
20 standards developed for the protection of wild salmonid species as
21 required by RCW 79.01.295(5). To the extent possible, the department
22 shall prioritize planning efforts to coincide with high priority
23 watersheds as identified by the watershed coordinating council.

24 (10) \$1,448,000 of the resource management cost account
25 appropriation is provided solely for attorney general support and
26 associated costs for the clean-up of contaminated aquatic lands.

27 (11) \$1,695,000 of the resource management cost account
28 appropriation is provided solely for the development of an aquatic
29 lands geographic information system, increased management of leases on
30 state aquatic lands, and to assess resource damage and develop
31 restoration plans for state aquatic lands.

32 (12) \$741,000 of the general fund--state appropriation is provided
33 solely for enhanced seismic mapping to identify high risk seismic areas
34 across the state.

35 NEW SECTION. **Sec. 312. FOR THE DEPARTMENT OF AGRICULTURE**

36	General Fund--State Appropriation	\$	13,309,000
37	General Fund--Federal Appropriation	\$	4,278,000
38	General Fund--Private/Local Appropriation	\$	406,000

1 office of financial management approval of a completed feasibility
2 study.

3 (2) Expenditures from the county criminal justice assistance--state
4 appropriation and municipal criminal justice assistance--state
5 appropriation contained in this section shall be solely for
6 enhancements to crime lab services and development and implementation
7 of the justice information network.

8 (3) The Washington state patrol shall report to the department of
9 information services and office of financial management by October 30,
10 1995, on the implementation and financing plan for the state-wide
11 integrated narcotics system.

3 NEW SECTION. **Sec. 501. FOR THE SUPERINTENDENT OF PUBLIC**
4 **INSTRUCTION--FOR STATE ADMINISTRATION**

5	General Fund--State Appropriation	\$	37,010,000
6	General Fund--Federal Appropriation	\$	39,820,000
7	Public Safety & Education Account--State		
8	Appropriation	\$	409,000
9	Violence Reduction/Drug Enforcement--State		
10	Appropriation	\$	3,196,000
11	TOTAL APPROPRIATION	\$	80,435,000

12 The appropriations in this section are subject to the following
13 conditions and limitations:

14 (1) AGENCY OPERATIONS

15 (a) \$747,000 of the general fund--state appropriation is provided
16 solely for the operation and expenses of the state board of education,
17 including basic education assistance activities.

18 (b) \$647,000 of the general fund--state appropriation is provided
19 solely for investigation activities of the office of professional
20 practices.

21 (c) \$1,700,000 of the general fund--state appropriation is provided
22 solely to reprogram computer applications for collecting and processing
23 school fiscal, personnel, and student data and for calculating
24 apportionment payments and to upgrade agency computer hardware. A
25 maximum of \$600,000 of this amount shall be used for computer hardware.

26 (d) The entire public safety and education account appropriation is
27 provided solely for administration of the traffic safety education
28 program, including in-service training related to instruction in the
29 risks of driving while under the influence of alcohol and other drugs.

30 (2) STATE-WIDE PROGRAMS

31 (a) \$49,000 of the general fund--state appropriation is provided
32 for state-wide curriculum development.

33 (b) \$2,415,000 of the general fund--state appropriation is provided
34 for in-service training and educational programs conducted by the
35 Pacific Science Center.

1 (d) \$68,000 of the general fund--state appropriation is provided
2 for operation of the Cispus environmental learning center.

3 (e) \$2,861,000 of the general fund--state appropriation is provided
4 for educational clinics, including state support activities.

5 (f) \$3,334,000 of the general fund--state appropriation is provided
6 for grants for magnet schools to be distributed as recommended by the
7 superintendent of public instruction pursuant to chapter 232, section
8 516(13), Laws of 1992.

9 (g) \$4,709,000 of the general fund--state appropriation is provided
10 for complex need grants. Grants shall be provided according to funding
11 ratios established in LEAP Document 30C as developed on December 17,
12 1994, at 10:19 hours.

13 (h) \$3,050,000 of the drug enforcement and education account
14 appropriation is provided solely for matching grants to enhance
15 security in secondary schools. Not more than seventy-five percent of
16 a district's total expenditures for school security in any school year
17 may be paid from a grant under this subsection. The grants shall be
18 expended solely for the costs of employing or contracting for building
19 security monitors in secondary schools during school hours and school
20 events. Of the amount provided in this subsection, at least \$2,850,000
21 shall be spent for grants to districts that, during the 1988-89 school
22 year, employed or contracted for security monitors in schools during
23 school hours. However, these grants may be used only for increases in
24 school district expenditures for school security over expenditure
25 levels for the 1988-89 school year.

26 (i) Districts receiving allocations from subsection (2) (f) and (g)
27 of this section shall submit an annual report to the superintendent of
28 public instruction on the use of all district resources to address the
29 educational needs of at-risk students in each school building. The
30 superintendent of public instruction shall make copies of reports
31 available to the office of financial management and fiscal committees
32 of the legislature.

33 (j)(i) \$2,000,000 of the general fund--state appropriation is
34 provided solely for grants to provide assistance for secondary students
35 who are at risk of academic failure, as follows:

36 (A) \$1,144,000 is provided for grants to vocational skills centers;

37 (B) \$572,000 is provided for grants to organizations in urban areas
38 not served by skills centers to provide programs similar to vocational
39 skills center programs funded in (A) of this subsection; and

1 (C) \$284,000 is provided to the state board for community and
2 technical colleges to provide programs in urban areas not served by
3 skills centers. Such programs shall meet program guidelines
4 established by the state board.

5 (ii) Grant recipients shall report to the superintendent of public
6 instruction on the performance of program participants during the
7 program, and job placement and employment success for at least one year
8 following participation. The superintendent of public instruction
9 shall summarize reports and evaluate the effectiveness of programs for
10 the office of financial management and the legislature.

11 NEW SECTION. **Sec. 502. FOR THE SUPERINTENDENT OF PUBLIC**
12 **INSTRUCTION--FOR GENERAL APPORTIONMENT (BASIC EDUCATION)**

13 General Fund--State Appropriation \$ 6,327,993,000

14 The appropriation in this section is subject to the following
15 conditions and limitations:

16 (1) The general fund appropriation includes such funds as are
17 necessary for the remaining months of the 1994-95 school year.

18 (2) Allocations for certificated staff salaries for the 1995-96 and
19 1996-97 school years shall be determined using formula-generated staff
20 units calculated pursuant to this subsection. Staff allocations for
21 small school enrollments in grades K-6 shall be the greater of that
22 generated under (a) of this subsection, or under (d) and (e) of this
23 subsection. Certificated staffing allocations shall be as follows:

24 (a) On the basis of each 1,000 average annual full-time equivalent
25 enrollments, excluding full-time equivalent enrollment otherwise
26 recognized for certificated staff unit allocations under (c) through
27 (e) of this subsection:

28 (i) Four certificated administrative staff units per thousand full-
29 time equivalent students in grades K-12, excluding special education
30 full-time equivalent enrollment equal to the district's October
31 headcount enrollment determined in section 506(2)(a) of this act times
32 the district's special education funding percentage determined in
33 section 506(2)(b) of this act times thirty percent in the 1995-96
34 school year and times twenty-five percent in the 1996-97 school year;

35 (ii) 49 certificated instructional staff units per thousand full-
36 time equivalent students in grades K-3, excluding twenty percent of the
37 special education full-time equivalent enrollment determined in
38 (2)(a)(i) of this section; and

1 (iii) An additional 5.3 certificated instructional staff units for
2 grades K-3. Any funds allocated for these additional certificated
3 units shall not be considered as basic education funding;

4 (A) Funds provided under this subsection (2)(a)(iii) in excess of
5 the amount required to maintain the statutory minimum ratio established
6 under RCW 28A.150.260(2)(b) shall be allocated only if the district
7 documents an actual ratio equal to or greater than 54.3 certificated
8 instructional staff per thousand full-time equivalent students in
9 grades K-3. For any school district documenting a lower certificated
10 instructional staff ratio, the allocation shall be based on the
11 district's actual grades K-3 certificated instructional staff ratio
12 achieved in that school year, or the statutory minimum ratio
13 established under RCW 28A.150.260(2)(b), if greater;

14 (B) Districts at or above 51.0 certificated instructional staff per
15 one thousand full-time equivalent students in grades K-3 may dedicate
16 up to 1.3 of the 54.3 funding ratio to employ additional classified
17 instructional assistants assigned to basic education classrooms in
18 grades K-3. For purposes of documenting a district's staff ratio under
19 this section, funds used by the district to employ additional
20 classified instructional assistants shall be converted to a
21 certificated staff equivalent and added to the district's actual
22 certificated instructional staff ratio. Additional classified
23 instructional assistants, for the purposes of this subsection, shall be
24 determined using the 1989-90 school year as the base year;

25 (C) Any district maintaining a ratio equal to or greater than 54.3
26 certificated instructional staff per thousand full-time equivalent
27 students in grades K-3 may use allocations generated under this
28 subsection (2)(a)(iii) in excess of that required to maintain the
29 minimum ratio established under RCW 28A.150.260(2)(b) to employ
30 additional basic education certificated instructional staff or
31 classified instructional assistants in grades 4-6. Funds allocated
32 under this subsection (2)(a)(iii) shall only be expended to reduce
33 class size in grades K-6. No more than 1.3 of the certificated
34 instructional funding ratio amount may be expended for provision of
35 classified instructional assistants; and

36 (iv) Forty-six certificated instructional staff units per thousand
37 full-time equivalent students in grades 4-12, excluding eighty percent
38 of special education full-time equivalent enrollment determined in
39 (2)(a)(i) of this section; and

1 (b) For school districts with a minimum enrollment of 250 full-time
2 equivalent students whose full-time equivalent student enrollment count
3 in a given month exceeds the first of the month full-time equivalent
4 enrollment count by 5 percent, an additional state allocation of 110
5 percent of the share that such increased enrollment would have
6 generated had such additional full-time equivalent students been
7 included in the normal enrollment count for that particular month;

8 (c) On the basis of full-time equivalent enrollment in vocational
9 education programs and skills center programs approved by the
10 superintendent of public instruction, 0.92 certificated instructional
11 staff units and 0.08 certificated administrative staff units for each
12 16.67 full-time equivalent vocational students;

13 (d) For districts enrolling not more than twenty-five average
14 annual full-time equivalent students in grades K-8, and for small
15 school plants within any school district which have been judged to be
16 remote and necessary by the state board of education and enroll not
17 more than twenty-five average annual full-time equivalent students in
18 grades K-8:

19 (i) For those enrolling no students in grades seven and eight, 1.76
20 certificated instructional staff units and 0.24 certificated
21 administrative staff units for enrollment of not more than five
22 students, plus one-twentieth of a certificated instructional staff unit
23 for each additional student enrolled; and

24 (ii) For those enrolling students in grades 7 or 8, 1.68
25 certificated instructional staff units and 0.32 certificated
26 administrative staff units for enrollment of not more than five
27 students, plus one-tenth of a certificated instructional staff unit for
28 each additional student enrolled;

29 (e) For specified enrollments in districts enrolling more than
30 twenty-five but not more than one hundred average annual full-time
31 equivalent students in grades K-8, and for small school plants within
32 any school district which enroll more than twenty-five average annual
33 full-time equivalent students in grades K-8 and have been judged to be
34 remote and necessary by the state board of education:

35 (i) For enrollment of up to sixty annual average full-time
36 equivalent students in grades K-6, 2.76 certificated instructional
37 staff units and 0.24 certificated administrative staff units; and

1 (ii) For enrollment of up to twenty annual average full-time
2 equivalent students in grades 7 and 8, 0.92 certificated instructional
3 staff units and 0.08 certificated administrative staff units;

4 (f) For districts operating no more than two high schools with
5 enrollments of less than three hundred annual average full-time
6 equivalent students, additional staff for such high schools, other than
7 alternative schools, as provided in this section:

8 (i) For remote and necessary schools enrolling any students in
9 grades 9-12 and no more than twenty-five annual average full-time
10 equivalent students in grades K-12, two additional certificated
11 instructional staff units; and

12 (ii) For other small high schools under this subsection for the
13 1995-96 school year, up to seven additional certificated instructional
14 staff units based on total 9-12 annual average full-time equivalent
15 (AAFTE) enrollment calculated as follows: $7 - (AAFTE * 0.0233)$; and
16 additional certificated administrative staff calculated as follows:
17 $0.25 + AAFTE * (((300 - AAFTE)^2 / 300^2) * 0.0032 - 0.0008)$

18 (iii) For other small high schools under this subsection for the
19 1996-97 school year, additional certificated instructional staff units
20 calculated as follows: $5 + AAFTE * (((300 - AAFTE)^2 / 300^2) * 0.022 -$
21 $0.0167)$; and additional certificated administrative staff calculated
22 as follows: $0.25 + AAFTE * (((300 - AAFTE)^2 / 300^2) * 0.0032 - 0.0008)$.

23 (g) For each nonhigh school district having an enrollment of more
24 than seventy annual average full-time equivalent students and less than
25 one hundred eighty students, operating a grades K-8 program or a grades
26 1-8 program, an additional one-half of a certificated instructional
27 staff unit;

28 (h) For each nonhigh school district having an enrollment of more
29 than fifty annual average full-time equivalent students and less than
30 one hundred eighty students, operating a grades K-6 program or a grades
31 1-6 program, an additional one-half of a certificated instructional
32 staff unit.

33 (3) Allocations for classified salaries for the 1995-96 and 1996-97
34 school years shall be calculated using formula-generated classified
35 staff units determined as follows:

36 (a) For enrollments generating certificated staff unit allocations
37 under subsection (2) (d) through (h) of this section, one classified
38 staff unit for each three certificated staff units allocated under such
39 subsections;

1 (b) For all other enrollment in grades K-12, including vocational
2 but excluding special education full-time equivalent enrollments
3 calculated as provided in (2)(a)(i) of this section, one classified
4 staff unit for each sixty average annual full-time equivalent students;
5 and

6 (c) For each nonhigh school district with an enrollment of more
7 than fifty annual average full-time equivalent students and less than
8 one hundred eighty students, an additional one-half of a classified
9 staff unit.

10 (4) Fringe benefit allocations shall be calculated at a rate of
11 21.29 percent in the 1995-96 school year and 21.29 percent in the 1996-
12 97 school year of certificated salary allocations provided under
13 subsection (2) of this section, and a rate of 18.73 percent in the
14 1995-96 school year and 18.73 percent in the 1996-97 school year of
15 classified salary allocations provided under subsection (3) of this
16 section.

17 (5) Insurance benefit allocations shall be calculated at the rates
18 specified in section 519 of this act, based on the number of benefit
19 units determined as follows:

20 (a) The number of certificated staff units determined in subsection
21 (2) of this section multiplied by 1.024 for the 1995-96 school year and
22 1.026 for the 1996-97 school year;

23 (b) The number of classified staff units determined in subsection
24 (3) of this section multiplied by 1.186 for the 1995-96 school year and
25 1.189 for the 1996-97 school year;

26 (c) Factors in subsections (a) and (b) of this subsection adjust
27 allocations assuming full benefits for employees working half time or
28 more for 180 days and prorated benefits for less than half time
29 employees based on the percent of full-time employment.

30 (6)(a) For nonemployee-related costs associated with each
31 certificated staff unit allocated under subsection (2) (a), (b), and
32 (d) through (h) of this section, there shall be provided a maximum of
33 \$7,655 per certificated staff unit in the 1995-96 school year and a
34 maximum of \$7,892 per certificated staff unit in the 1996-97 school
35 year.

36 (b) For nonemployee-related costs associated with each vocational
37 certificated staff unit allocated under subsection (2)(c) of this
38 section, there shall be provided a maximum of \$14,587 per certificated

1 staff unit in the 1995-96 school year and a maximum of \$15,039 per
2 certificated staff unit in the 1996-97 school year.

3 (7) Allocations for substitute costs for classroom teachers shall
4 be distributed at a maximum rate of \$341 for the 1995-96 school year
5 and \$341 per year for the 1996-97 school year for allocated classroom
6 teachers. Solely for the purposes of this subsection, allocated
7 classroom teachers shall be equal to the number of certificated
8 instructional staff units allocated under subsection (2) of this
9 section, multiplied by the ratio between the number of actual basic
10 education certificated teachers and the number of actual basic
11 education certificated instructional staff reported state-wide for the
12 1994-95 school year.

13 (8) Any school district board of directors may petition the
14 superintendent of public instruction by submission of a resolution
15 adopted in a public meeting to reduce or delay any portion of its basic
16 education allocation for any school year. The superintendent of public
17 instruction shall approve such reduction or delay if it does not impair
18 the district's financial condition. Any delay shall not be for more
19 than two school years. Any reduction or delay shall have no impact on
20 levy authority pursuant to RCW 84.52.0531 and local effort assistance
21 pursuant to chapter 28A.500 RCW.

22 (9) The superintendent may distribute a maximum of \$5,070,000
23 outside the basic education formula during fiscal years 1996 and 1997
24 as follows:

25 (a) For fire protection for school districts located in a fire
26 protection district as now or hereafter established pursuant to chapter
27 52.04 RCW, a maximum of \$431,000 may be expended in fiscal year 1996
28 and a maximum of \$444,000 may be expended in fiscal year 1997;

29 (b) For summer vocational programs at skills centers, a maximum of
30 \$1,938,000 may be expended in fiscal year 1996 and a maximum of
31 \$1,948,000 may be expended in fiscal year 1997; and

32 (c) A maximum of \$309,000 may be expended for school district
33 emergencies.

34 (10) For the purposes of RCW 84.52.0531, the increase per full-time
35 equivalent student in state basic education appropriations provided
36 under this act, including appropriations for salary and benefits
37 increases, is 3.3 percent from the 1994-95 school year to the 1995-96
38 school year, and 4.2 percent from the 1995-96 school year to the
39 1996-97 school year.

1 (11) If two or more school districts consolidate and each district
2 was receiving additional basic education formula staff units pursuant
3 to subsection (2) (b) through (h) of this section, the following shall
4 apply:

5 (a) For three school years following consolidation, the number of
6 basic education formula staff units shall not be less than the number
7 of basic education formula staff units received by the districts in the
8 school year prior to the consolidation; and

9 (b) For the fourth through eighth school years following
10 consolidation, the difference between the basic education formula staff
11 units received by the districts for the school year prior to
12 consolidation and the basic education formula staff units after
13 consolidation pursuant to subsection (2) (a) through (h) of this
14 section shall be reduced in increments of twenty percent per year.

15 NEW SECTION. **Sec. 503. FOR THE SUPERINTENDENT OF PUBLIC**
16 **INSTRUCTION--BASIC EDUCATION EMPLOYEE COMPENSATION**

17 (1) The following calculations determine the salaries used in the
18 general fund allocations for certificated instructional, certificated
19 administrative, and classified staff units under section 502 of this
20 act:

21 (a) Salary allocations for certificated instructional staff units
22 shall be determined for each district by multiplying the district's
23 certificated instructional derived base salary shown on LEAP Document
24 12C, by the district's average staff mix factor for basic education
25 certificated instructional staff in that school year, computed using
26 LEAP Document 1A; and

27 (b) Salary allocations for certificated administrative staff units
28 and classified staff units for each district shall be based on the
29 district's certificated administrative and classified salary allocation
30 amounts shown on LEAP Document 12C.

31 (2) For the purposes of this section:

32 (a) "Basic education certificated instructional staff" is defined
33 as provided in RCW 28A.150.100;

34 (b) "LEAP Document 1A" means the computerized tabulation
35 establishing staff mix factors for basic education certificated
36 instructional staff according to education and years of experience, as
37 developed by the legislative evaluation and accountability program
38 committee on April 8, 1991, at 13:35 hours; and

1 (c) "LEAP Document 12C" means the computerized tabulation of 1995-
 2 96 and 1996-97 school year salary allocations for basic education
 3 certificated administrative staff and basic education classified staff
 4 and derived base salaries for basic education certificated
 5 instructional staff as developed by the legislative evaluation and
 6 accountability program committee on December 16, 1994, at 13:21 hours.

7 (3) Incremental fringe benefit factors shall be applied to salary
 8 adjustments at a rate of 20.07 percent for certificated staff and 15.27
 9 percent for classified staff for both years of the biennium.

10 (4)(a) Pursuant to RCW 28A.150.410, the following state-wide salary

15 (b) As used in this subsection, the column headings "BA+(N)" refer
 16 to the number of credits earned since receiving the baccalaureate
 17 degree.

18 (c) For credits earned after the baccalaureate degree but before
 19 the masters degree, any credits in excess of forty-five credits may be
 20 counted after the masters degree. Thus, as used in this subsection,
 21 the column headings "MA+(N)" refer to the total of:

22 (i) Credits earned since receiving the masters degree; and

23 (ii) Any credits in excess of forty-five credits that were earned
 24 after the baccalaureate degree but before the masters degree.

25 (5) For the purposes of this section:

26 (a) "BA" means a baccalaureate degree.

27 (b) "MA" means a masters degree.

28 (c) "PHD" means a doctorate degree.

29 (d) "Years of service" shall be calculated under the same rules
 30 used by the superintendent of public instruction for salary allocations
 31 in the 1993-94 school year.

32 (e) "Credits" means college quarter hour credits and equivalent in-
 33 service credits computed in accordance with RCW 28A.415.020 or as
 34 hereafter amended.

35 (6) No more than ninety college quarter-hour credits received by
 36 any employee after the baccalaureate degree may be used to determine
 37 compensation allocations under the state salary allocation schedule and
 38 LEAP documents referenced in this act, or any replacement schedules and
 39 documents, unless:

- 1 (a) The employee has a masters degree; or
- 2 (b) The credits were used in generating state salary allocations
- 3 before January 1, 1992.
- 4 (7) The salary allocation schedules established in this section are
- 5 for allocation purposes only except as provided in RCW 28A.400.200(2).

6 NEW SECTION. **Sec. 504. FOR THE SUPERINTENDENT OF PUBLIC**
 7 **INSTRUCTION--FOR PUPIL TRANSPORTATION**

8 General Fund--State Appropriation \$ 360,337,000

9 The appropriation in this section is subject to the following
 10 conditions and limitations:

11 (1) The appropriation includes such funds as are necessary for the
 12 remaining months of the 1994-95 school year.

13 (2) A maximum of \$1,072,000 may be expended for regional
 14 transportation coordinators and related activities. The transportation
 15 coordinators shall ensure that data submitted by school districts for
 16 state transportation funding shall, to the greatest extent practical,
 17 reflect the actual transportation activity of each district.

18 (3) For eligible school districts, the small-fleet maintenance
 19 factor shall be funded at a rate of \$1.84 in the 1995-96 school year
 20 and \$1.90 in the 1996-97 school year per weighted pupil-mile.

21 (4) \$180,000 is provided solely for the transportation of students
 22 enrolled in "choice" programs. Transportation shall be limited to low-
 23 income students who are transferring to "choice" programs solely for
 24 educational reasons.

25 (5) Beginning with the 1995-96 school year, the superintendent of
 26 public instruction shall implement a centralized state bid process for
 27 the purchase of school buses pursuant to Z-449.1/95.

28 NEW SECTION. **Sec. 505. FOR THE SUPERINTENDENT OF PUBLIC**
 29 **INSTRUCTION--FOR SCHOOL FOOD SERVICE PROGRAMS**

30 General Fund--State Appropriation \$ 6,000,000
 31 General Fund--Federal Appropriation \$ 183,619,000
 32 TOTAL APPROPRIATION \$ 189,619,000

33 NEW SECTION. **Sec. 506. SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR**
 34 **SPECIAL EDUCATION PROGRAMS**

35 General Fund--State Appropriation \$ 962,692,000
 36 General Fund--Federal Appropriation \$ 98,684,000

1 TOTAL APPROPRIATION \$ 1,061,376,000

2 The appropriations in this section are subject to the following
3 conditions and limitations:

4 (1) The general fund--state appropriation includes such funds as
5 are necessary for the remaining months of the 1994-95 school year.

6 (2) The superintendent of public instruction shall distribute state
7 funds for the 1995-96 and 1996-97 school years based on the district's
8 total headcount enrollment determined pursuant to (a) of this
9 subsection times the percentage determined pursuant to (b) of this
10 subsection times the district's average basic education allocation per
11 full-time equivalent student determined pursuant to (c) of this
12 subsection times 1.2.

13 (a) A district's total headcount enrollment shall be the
14 unduplicated headcount of special education preschool and kindergarten
15 through twelfth grade students residing in the district and enrolled in
16 a Washington public school as of the first school day of October. A
17 student residing in a district not offering the grade in which the
18 student is enrolled (a nonhigh district) shall be treated as the
19 resident of the district in which the student is enrolled. A district
20 whose resident students are served by another district's staff in a
21 special education interdistrict cooperative program may transfer any
22 portion of the district's headcount enrollment to the other school
23 district for the purposes of this section.

24 (b) A district's funding percentage shall be the district's actual
25 percentage of resident special education enrollment in the 1994-95
26 school year adjusted in the 1995-96 school year by 0.25 times the
27 difference calculated by subtracting the 1994-95 percentage from twelve
28 percent, and adjusted in the 1996-97 school year by 0.5 times this
29 difference. The superintendent of public instruction shall estimate
30 each district's actual percentage of resident special education
31 enrollment in the 1994-95 school year.

32 (c) A district's average basic education allocation per student
33 shall be based on the staffing ratios required by RCW 28A.150.260 (i.e.
34 49/1000 in grades K-3 and 46/1000 in grades 4-6) and shall not include
35 enhancements for vocational secondary instruction or small schools.
36 Calculations of health benefit allocations for the 1995-96 and 1996-97
37 school years shall include part-time benefit factors of 1.046 and 1.050
38 respectively for certificated staff and 1.190 and 1.193 respectively
39 for classified staff.

1 (3) \$10,000,000 of the general fund--state appropriation is
2 provided for a safety net funding to meet the extraordinary needs of
3 school district special education programs. \$4,000,000 of the general
4 fund--federal appropriation is provided for safety net funding to meet
5 the extraordinary needs of individual special education students. The
6 superintendent of public instruction shall distribute this money to
7 educational service districts where regional committees shall determine
8 allocations based on criteria established in rules adopted by the
9 superintendent of public instruction.

10 (4) \$4,011,000 of the general fund--state appropriation is provided
11 to the superintendent of public instruction solely to meet school
12 district federal maintenance of effort requirements during the
13 transition to the new funding formula. A district whose state special
14 education allocations in the 1995-96 or 1996-97 school years falls
15 below the district's 1994-95 state special education allocation may
16 apply to the superintendent of public instruction for money from this
17 source.

18 (5) After consulting with school districts, the office of financial
19 management, and the fiscal committees of the legislature, the
20 superintendent of public instruction shall adopt rules establishing
21 criteria for access to state and federal safety net moneys. The
22 superintendent shall review current state eligibility criteria for the
23 fourteen special education categories and consider changes which would
24 reduce assessment time and administrative costs associated with the
25 special education program. The superintendent of public instruction,
26 in cooperation with the office of financial management and the fiscal
27 committees of legislature, shall evaluate the operation of special
28 education safety nets and report to the governor and the legislature by
29 December 15, 1996.

30 (6) A maximum of \$678,000 may be expended from the general fund--
31 state appropriation to fund 5.43 full-time equivalent teachers and 2.1
32 full-time equivalent aides at Children's orthopedic hospital and
33 medical center. This amount is in lieu of money provided through the
34 home and hospital allocation and the handicapped program.

35 (7) \$1,000,000 of the general fund--federal appropriation is
36 provided solely for projects to provide handicapped students with
37 appropriate job and independent living skills, including work
38 experience where possible, to facilitate their successful transition

1 out of the public school system. The funds provided by this subsection
2 shall be from federal discretionary grants.

3 NEW SECTION. **Sec. 507. FOR THE SUPERINTENDENT OF PUBLIC**
4 **INSTRUCTION--FOR TRAFFIC SAFETY EDUCATION PROGRAMS**

5 Public Safety & Education Account--State
6 Appropriation \$ 18,318,000

7 The appropriation in this section is subject to the following
8 conditions and limitations:

9 (1) The appropriation includes such funds as are necessary for the
10 remaining months of the 1994-95 school year.

11 (2) A maximum of \$528,000 shall be expended for regional traffic
12 safety education coordinators.

13 (3) The maximum basic state allocation per student completing the
14 program shall be \$141.55 in the 1995-96 school year and \$145.94 in the
15 1996-97 school year.

16 (4) Additional allocations to provide tuition assistance for
17 students from low-income families who complete the program shall be a
18 maximum of \$68.95 per eligible student in the 1995-96 school year and
19 \$71.09 in the 1996-97 school year.

20 NEW SECTION. **Sec. 508. FOR THE SUPERINTENDENT OF PUBLIC**
21 **INSTRUCTION--FOR EDUCATIONAL SERVICE DISTRICTS**

23 The appropriation in this section is subject to the following
24 conditions and limitations:

25 (1) The educational service districts shall continue to furnish
26 financial services required by the superintendent of public instruction
27 and RCW 28A.310.190 (3) and (4).

28 (2) \$250,000 of the general fund appropriation is provided solely
29 for student teaching centers as provided in RCW 28A.415.100.

30 (3) \$400,000 of the general fund appropriation is provided solely
31 to continue implementation of chapter 109, Laws of 1993 (collaborative
32 development school projects).

33 NEW SECTION. **Sec. 509. FOR THE SUPERINTENDENT OF PUBLIC**
34 **INSTRUCTION--FOR LOCAL EFFORT ASSISTANCE**

35 General Fund--State Appropriation \$ 150,000,000

1 The appropriation in this section is subject to the following
2 conditions and limitations: The appropriation in this section is
3 provided to match school district maintenance and operation levies in
4 eligible school districts pursuant to chapter 28A.500 RCW as amended by
5 Z-448.1/95. The superintendent of public instruction shall prorate
6 local effort assistance allocations as needed to stay within the
7 appropriation provided in this section.

17 General Fund--State Appropriation \$ 30,006,000

18 General Fund--Federal Appropriation \$ 8,548,000

19 TOTAL APPROPRIATION \$ 38,554,000

20 The appropriations in this section are subject to the following
21 conditions and limitations:

22 (1) The general fund--state appropriation includes such funds as
23 are necessary for the remaining months of the 1994-95 school year.

24 (2) State funding provided under this section is based on salaries
25 and other expenditures for a 220-day school year. The superintendent
26 of public instruction shall monitor school district expenditure plans
27 for institutional education programs to ensure that districts plan for
28 a full-time summer program.

29 (3) State funding for each institutional education program shall be
30 based on the institution's annual average full-time equivalent student
31 enrollment. Staffing ratios for each category of institution and other
32 state funding assumptions shall be those specified in the legislative
33 budget notes. Health benefit allocations for the 1995-96 and 1996-97
34 school years shall include part-time benefit factors of 1.047 and 1.051
35 respectively for certificated staff and 1.190 and 1.193 respectively
36 for classified staff.

1 NEW SECTION. **Sec. 513. FOR THE SUPERINTENDENT OF PUBLIC**

4 The appropriation in this section is subject to the following
5 conditions and limitations:

6 (1) The appropriation includes such funds as are necessary for the
7 remaining months of the 1994-95 school year.

8 (2) Allocations for school district programs for highly capable
9 students shall be distributed for up to one and one-half percent of
10 each district's full-time equivalent basic education act enrollment.

11 (3) \$422,000 of the appropriation is for the Centrum program at
12 Fort Worden state park.

13 NEW SECTION. **Sec. 514. FOR THE SUPERINTENDENT OF PUBLIC**
14 **INSTRUCTION--EDUCATION REFORM PROGRAMS**

15 General Fund--State Appropriation \$ 118,679,000

16 General Fund--Federal Appropriation \$ 12,500,000

17 TOTAL APPROPRIATION \$ 131,179,000

18 The appropriation in this section is subject to the following
19 conditions and limitations:

20 (1) \$39,960,000 of the general fund--state appropriation and
21 \$4,500,000 of the general fund--federal appropriation are provided for
22 the 1995-96 school year for grants to school districts to implement
23 education reform under RCW 28A.300.138 and the Goals 2000 Educate
24 America Act. Grants shall be allocated based a maximum of \$800 times
25 the number of full-time equivalent certificated staff employed in
26 eligible schools of a district. Allocations shall be made between
27 September 1, 1995 and June 30, 1996.

28 (2) \$39,969,000 of the general fund--state appropriation and
29 \$5,500,000 of the general fund--federal appropriation are provided for
30 the 1996-97 school year for grants to school districts to implement
31 education reform under RCW 28A.300.138 and the Goals 2000 Educate
32 America Act. Grants shall be allocated based on a maximum of \$800
33 times the number of full-time equivalent certificated staff employed in
34 eligible schools of a district. Allocations shall be made between
35 September 1, 1996, and June 30, 1997.

36 (3) \$3,860,000 of the general fund--state appropriation is provided
37 solely for the operation of the commission on student learning under

1 RCW 28A.630.883 through 28A.630.953. The commission on student
2 learning shall report on a regular basis regarding proposed activities
3 and expenditures of the commission.

4 (4) \$5,390,000 of the general fund--state appropriation and
5 \$800,000 of the general fund--federal appropriation are provided solely
6 for development of assessments as required in RCW 28A.630.885 as
7 amended by Z-0451.1/95.

8 (5) \$2,190,000 is provided solely for training of paraprofessional
9 classroom assistants and certificated staff who work with classroom
10 assistance as provided in RCW 28A.415.310.

11 (6) \$3,300,000 is provided for school-to-work transition projects
12 in the common schools, including state support activities, under RCW
13 28A.630.861 through 28A.630.880.

17 internships, including state support activities, under RCW 28A.415.270
18 through 28A.415.300.

19 (9) \$9,000,000 is provided for improvement of technology
20 infrastructure and educational technology support centers, including
21 state support activities, under chapter 28A.650 RCW.

22 (10) \$8,000,000 is provided for grants to school districts to
23 provide a continuum of care for children and families to help children
24 become ready to learn. Grant proposals from school districts shall
25 contain local plans designed collaboratively with community service
26 providers. If a continuum of care program exists in the area in which
27 the school district is located, the local plan shall provide for
28 coordination with existing programs to the greatest extent possible.
29 Grant funds shall be allocated pursuant RCW 70.190.040.

30 (11) \$5,000,000 is provided solely for the meals for kids program
31 under RCW 28A.235.145 through 28A.235.155 and shall be distributed as
32 follows:

33 (a) \$442,000 is provided solely for start-up grants for schools not
34 eligible for federal start-up grants and for summer food service
35 programs; and

36 (b) \$4,558,000 is provided solely to increase the state subsidy for
37 free and reduced-price breakfasts.

38 (12) \$1,400,000 is provided for technical assistance related to
39 education reform through the office of the superintendent of public

1 instruction, in consultation with the commission on student learning,
2 as specified in RCW 28A.300.130 (center for the improvement of student
3 learning).

9 General Fund--State Appropriation \$ 57,177,000

10 The appropriation in this section is subject to the following
11 conditions and limitations:

12 (1) The appropriation provides such funds as are necessary for the
13 remaining months of the 1994-95 school year.

14 (2) The superintendent shall distribute a maximum of \$629.93 per
15 eligible bilingual student in the 1995-96 school year and \$630.18 in
16 the 1996-97 school year.

17 These amounts include additional health benefit units based on
18 part-time factors of 1.053 and 1.058 for certificated employees for the
19 1995-96 and 1996-97 school years respectively.

20 NEW SECTION. **Sec. 517. FOR THE SUPERINTENDENT OF PUBLIC**
21 **INSTRUCTION--FOR THE LEARNING ASSISTANCE PROGRAM**

22 General Fund--State Appropriation \$ 114,592,000

23 The appropriation in this section is subject to the following
24 conditions and limitations:

25 (1) The appropriation provides such funds as are necessary for the
26 remaining months of the 1994-95 school year.

27 (2) For making the calculation of the percentage of students
28 scoring in the lowest quartile as compared with national norms,
29 beginning with the 1991-92 school year, the superintendent shall
30 multiply each school district's 4th and 8th grade test results by 0.86.

31 (3) Funding for school district learning assistance programs
32 serving kindergarten through grade nine shall be distributed at a
33 maximum rate of \$369 per student eligible for learning assistance
34 programs. In determining the number of students eligible for learning
35 assistance programs in the 1995-96 and 1996-97 school years, no

1 adjustment shall be made for the number of special education students
2 identified as specific learning disabled.

3 NEW SECTION. **Sec. 518. FOR THE SUPERINTENDENT OF PUBLIC**
4 **INSTRUCTION--LOCAL ENHANCEMENT FUNDS**

5 General Fund--State Appropriation \$ 46,866,000

6 The appropriation in this section is subject to the following
7 conditions and limitations:

8 (1) The appropriation provides such funds as are necessary for the
9 remaining months of the 1994-95 school year.

10 (2) School districts receiving moneys pursuant to this section
11 shall expend such moneys to meet educational needs as identified by the
12 school district. Program enhancements funded pursuant to this section
13 do not fall within the definition of basic education for purposes of
14 Article IX of the state Constitution and the state's funding duty
15 thereunder, nor shall such funding constitute levy reduction funds for
16 purposes of RCW 84.52.0531.

17 (3) Allocations to school districts shall be calculated on the
18 basis of full-time enrollment at an annual rate of up to \$25.51 per
19 student. For school districts enrolling not more than one hundred
20 average annual full-time equivalent students, and for small school
21 plants within any school district designated as remote and necessary
22 schools, the allocations shall be as follows:

23 (a) Enrollment of not more than 60 average annual full-time
24 equivalent students in grades kindergarten through six shall generate
25 funding based on sixty full-time equivalent students;

26 (b) Enrollment of not more than 20 average annual full-time
27 equivalent students in grades seven and eight shall generate funding
28 based on twenty full-time equivalent students; and

29 (c) Enrollment of not more than 60 average annual full-time
30 equivalent students in grades nine through twelve shall generate
31 funding based on sixty full-time equivalent students.

32 (4) Receipt by a school district of one-fourth of the district's
33 allocation of funds under this section, shall be conditioned on a
34 finding by the superintendent that the district is enrolled as a
35 medicaid service provider and is actively pursuing federal matching
36 funds for medical services provided through special education programs,
37 pursuant to RCW 74.09.5241 through 74.09.5256 (Title XIX funding).

1 NEW SECTION. **Sec. 519. FOR THE SUPERINTENDENT OF PUBLIC**
2 **INSTRUCTION--FOR SCHOOL EMPLOYEE COMPENSATION ADJUSTMENTS**

3 General Fund--State Appropriation \$ 269,273,000

4 The appropriation in this section is subject to the following
5 conditions and limitations:

6 (1) \$240,130,000 is provided for cost of living adjustments of 2.9%
7 effective September 1, 1995, and an additional 3.1% effective September
8 1, 1996, for state-formula staff units. The appropriation includes
9 associated incremental fringe benefit allocations for both years at
10 rates 20.07% for certificated staff and 15.27% for classified staff.

11 (a) The appropriation in this section includes the increased
12 portion of salaries and incremental fringe benefits for all state
13 funded school programs in PART V of this act. Salary adjustments for
14 state employees in the office of superintendent of public instruction
15 and the education reform program are provided in the Special
16 Appropriations sections of this act. Increases for general
17 apportionment (basic education) are based on the salary allocation
18 schedules and methodology in section 503 of this act. Increases for
19 special education (section 506) result from increases in each
20 district's basic education allocation per student determined pursuant
21 to section 506(2)(c) of this act. Increases for educational service
22 districts (section 508) and institutional education programs (section
23 512) are determined by the superintendent of public instruction using
24 the methodology for general apportionment salaries and benefits in
25 section 503 of this act.

26 (b) The appropriation in this section provides salary increase and
27 incremental fringe benefit allocations for the following programs based
28 on formula adjustments as follows:

29 (i) For pupil transportation, increases of \$0.560 per weighted
30 pupil-mile for the 1995-96 school year and \$1.177 for the 1996-97
31 school year;

32 (ii) For learning assistance, increases of \$8.15 per eligible
33 student for the 1995-96 school year and \$17.11 for the 1996-97 school
34 year;

35 (iii) For education of highly capable students, increases of \$6.37
36 per formula student for the 1995-96 school year and \$13.39 for the
37 1996-97 school year; and

1 (iv) For transitional bilingual education, increases of \$16.58 per
2 eligible bilingual student for the 1995-96 school year and \$34.82 for
3 the 1996-97 school year.

4 (2) \$29,143,000 is provided to increase health insurance benefits
5 allocations above the maintenance rate of \$322.90 per month provided
6 through appropriations made in other sections of this act. Increases
7 are provided for state formula certificated and classified health
8 benefit units determined by adjusting formula staff units by part-time
9 factors for each program.

10 (a) Effective October 1, 1995, for the 1995-96 school year, the
11 allocated rate is increased by \$6.67 to \$329.57 per month.

12 (b) Effective October 1, 1996, for the 1996-97 school year, the
13 allocated rate is increased an additional \$24.56 to \$354.13 per month.

14 (c) Increases for the following programs are applied directly to
15 state formula certificated and classified staff health benefit units as
16 adjusted for part-time factors shown in each program: General
17 apportionment under section 502(5) of this act; special education
18 program under section 506 of this act; educational service districts
19 under section 508 of this act; and institutional education under
20 section 512 of this act.

21 (d) Increases for the following categorical programs are calculated
22 by increasing annual state funding rates by amounts specified in this
23 subsection. Effective October 1, 1995, and October 1, 1996,
24 respectively, the maximum rate adjustments are as follows:

25 (i) For pupil transportation, increases of \$.068 per weighted
26 pupil-mile for the 1995-96 school year and \$0.301 for the 1996-97
27 school year;

28 (ii) For learning assistance, increases of \$0.89 per eligible
29 student for the 1995-96 school year and \$3.90 for the 1996-97 school
30 year;

31 (iii) For education of highly capable students, increases of \$.45
32 per formula student for the 1995-96 school year and \$1.98 for the 1996-
33 97 school year; and

34 (iv) For transitional bilingual education, increases of \$1.14 per
35 eligible bilingual student for the 1995-96 school year and \$5.00 for
36 the 1996-97 school year.

37 (e) The rates specified in this subsection are subject to revision
38 each year by the legislature.

PART VI
HIGHER EDUCATION

NEW SECTION. **Sec. 601.** The appropriations in sections 602 through 610 of this act are subject to the following conditions and limitations:

(1) "Institutions of higher education" means the institutions receiving appropriations under sections 602 through 608 of this act.

(2) In establishing spending plans for the 1995-97 biennium, each institution shall address the needs of its students in keeping with the following directives: (a) Establishing reductions of a permanent nature by avoiding short term solutions; (b) maintaining enrollments at budgeted levels; (c) maintaining the current resident to nonresident student proportions; (d) protecting undergraduate programs and support services; (e) protecting assessment activities; (f) protecting minority recruitment and retention efforts; (g) protecting the state's investment in facilities; (h) using institutional strategic plans as a guide for reshaping institutional expenditures; and (i) increasing efficiencies through administrative reductions, program consolidation, the elimination of duplication, the use of other resources, and productivity improvements. Each institution of higher education and the state board for community and technical colleges shall submit a report to the legislative fiscal committees and the office of financial management at the time of their initial 1995-97 operating budget allotment request on their implementation of the general fund state reduction for the 1995-97 biennium. The report should address the approach taken with respect to each of the directives in this subsection.

(3) Each institution of higher education shall provide to each classified staff employee as defined by the office of financial management a salary increase of 2.9% on July 1, 1995 and a salary increase of 3.1% on July 1, 1996.

(4) Each institution of higher education shall provide to instruction and research faculty, exempt professional staff, academic administrators, academic librarians, counselors, teaching and research assistants as classified by the office of financial management and all

1 other non-classified staff an average salary increase of 2.9% on July
 2 1, 1995 and an average salary increase of 3.1% on July 1, 1996.

3 (5) The appropriations in sections 602 through 608 of this act
 4 provide state general fund support for student full-time equivalent
 5 enrollments at each institution of higher education. Listed below are

1 (3) A copy of each feasibility study and project management plan
2 shall be provided to the department of information services, the office
3 of financial management, and legislative fiscal committees. Authority
4 to expend any funds for individual information systems projects is
5 conditioned on approval of the relevant feasibility study and project
6 management plan by the department of information services and the
7 office of financial management.

8 (4) A project status report shall be submitted to the department of
9 information services, the office of financial management, and
10 legislative fiscal committees for each project prior to reaching key
11 decision points identified in the project management plan. Project
12 status reports shall examine and evaluate project management,
13 accomplishments, budget, action to address variances, risk management,
14 costs and benefits analysis, and other aspects critical to completion
15 of a project.

16 Work shall not commence on any task in a subsequent phase of a
17 project until the status report for the preceding key decision point
18 has been approved by the department of information services and the
19 office of financial management.

20 (5) If a project review is requested in accordance with department
21 of information services policies, the reviews shall examine and
22 evaluate: System requirements specifications; scope; system
23 architecture; change controls; documentation; user involvement;
24 training; availability and capability of resources; programming
25 languages and techniques; system inputs and outputs; plans for testing,
26 conversion, implementation, and postimplementation; and other aspects
27 critical to successful construction, integration, and implementation of
28 automated systems. Copies of project review written reports shall be
29 forwarded to the office of financial management and appropriate
30 legislative committees by the agency.

31 (6) A written postimplementation review report shall be prepared by
32 the agency for each information systems project in accordance with
33 published department of information services instructions. In addition
34 to the information requested pursuant to the department of information
35 services instructions, the postimplementation report shall evaluate the
36 degree to which a project accomplished its major objectives including,
37 but not limited to, a comparison of original cost and benefit estimates
38 to actual costs and benefits achieved. Copies of the
39 postimplementation review report shall be provided to the department of

2 appropriate legislative committees.

3 NEW SECTION. **Sec. 903. VIDEO TELECOMMUNICATIONS.** The department
4 of information services shall act as lead agency in coordinating video
5 telecommunications services for state agencies. As lead agency, the
6 department shall develop standards and common specifications for leased
7 and purchased telecommunications equipment and assist state agencies in
8 developing a video telecommunications expenditure plan. No agency may
9 spend any portion of any appropriation in this act for new video
10 telecommunication equipment, new video telecommunication transmission,
11 or new video telecommunication programming, or for expanding current
12 video telecommunication systems without first complying with chapter
13 43.105 RCW, including but not limited to, RCW 43.105.041(2), and
14 without first submitting a video telecommunications expenditure plan,
15 in accordance with the policies of the department of information
16 services, for review and assessment by the department of information
17 services under RCW 43.105.052. Prior to any such expenditure by a
18 public school, a video telecommunications expenditure plan shall be
19 approved by the superintendent of public instruction. The office of
20 the superintendent of public instruction shall submit the plans to the
21 department of information services in a form prescribed by the
22 department. The office of the superintendent of public instruction
23 shall coordinate the use of video telecommunications in public schools
24 by providing educational information to local school districts and
25 shall assist local school districts and educational service districts
26 in telecommunications planning and curriculum development. Prior to
27 any such expenditure by a public institution of postsecondary
28 education, a telecommunications expenditure plan shall be approved by
29 the higher education coordinating board. The higher education
30 coordinating board shall coordinate the use of video telecommunications
31 for instruction and instructional support in postsecondary education,
32 including the review and approval of instructional telecommunications
33 course offerings.

34 NEW SECTION. **Sec. 904. EMERGENCY FUND ALLOCATIONS.** Whenever
35 allocations are made from the governor's emergency fund appropriation
36 to an agency that is financed in whole or in part by other than general
37 fund moneys, the director of financial management may direct the

1 repayment of such allocated amount to the general fund from any balance
2 in the fund or funds which finance the agency. No appropriation shall
3 be necessary to effect such repayment.

4 NEW SECTION. **Sec. 905. STATUTORY APPROPRIATIONS.** In addition to
5 the amounts appropriated in this act for revenue for distribution,
6 state contributions to the law enforcement officers' and fire fighters'
7 retirement system, and bond retirement and interest including ongoing
8 bond registration and transfer charges, transfers, interest on
9 registered warrants, and certificates of indebtedness, there is also
10 appropriated such further amounts as may be required or available for
11 these purposes under any statutory formula or under any proper bond
12 covenant made under law.

13 NEW SECTION. **Sec. 906. BOND EXPENSES.** In addition to such other
14 appropriations as are made by this act, there is hereby appropriated to
15 the state finance committee from legally available bond proceeds in the
16 applicable construction or building funds and accounts such amounts as
17 are necessary to pay the expenses incurred in the issuance and sale of
18 the subject bonds.

19 NEW SECTION. **Sec. 907. LEGISLATIVE FACILITIES.** Notwithstanding
20 RCW 43.01.090, the house of representatives, the senate, and the
21 permanent statutory committees shall pay expenses quarterly to the
22 department of general administration facilities and services revolving
23 fund for services rendered by the department for operations,
24 maintenance, and supplies relating to buildings, structures, and
25 facilities used by the legislature for the biennium beginning July 1,
26 1995.

27 NEW SECTION. **Sec. 908. AGENCY RECOVERIES.** Except as otherwise
28 provided by law, recoveries of amounts expended pursuant to an
29 appropriation, including but not limited to, payments for material
30 supplied or services rendered under chapter 39.34 RCW, may be expended
31 as part of the original appropriation of the fund to which such
32 recoveries belong, without further or additional appropriation. Such
33 expenditures shall be subject to conditions and procedures prescribed
34 by the director of financial management. The director may authorize
35 expenditure with respect to recoveries accrued but not received, in

1 accordance with generally accepted accounting principles, except that
2 such recoveries shall not be included in revenues or expended against
3 an appropriation for a subsequent fiscal period. This section does not
4 apply to the repayment of loans, except for loans between state
5 agencies.

6 NEW SECTION. **Sec. 909. GENERALLY ACCEPTED ACCOUNTING PRINCIPLES.**

7 The appropriations of moneys and the designation of funds and accounts
8 by this and other acts of the 1995 legislature shall be construed in a
9 manner consistent with legislation enacted by the 1985, 1987, 1989,
10 1991, and 1993 legislatures to conform state funds and accounts with
11 generally accepted accounting principles.

12 **Sec. 910.** RCW 41.06.150 and 1993 sp.s. c 24 s 913 and 1993 c 281
13 s 27 are each reenacted and amended to read as follows:

14 The board shall adopt rules, consistent with the purposes and
15 provisions of this chapter, as now or hereafter amended, and with the
16 best standards of personnel administration, regarding the basis and
17 procedures to be followed for:

18 (1) The reduction, dismissal, suspension, or demotion of an
19 employee;

20 (2) Certification of names for vacancies, including departmental
21 promotions, with the number of names equal to six more names than there
22 are vacancies to be filled, such names representing applicants rated
23 highest on eligibility lists: PROVIDED, That when other applicants
24 have scores equal to the lowest score among the names certified, their
25 names shall also be certified;

26 (3) Examinations for all positions in the competitive and
27 noncompetitive service;

28 (4) Appointments;

29 (5) Training and career development;

30 (6) Probationary periods of six to twelve months and rejections of
31 probationary employees, depending on the job requirements of the class,
32 except that entry level state park rangers shall serve a probationary
33 period of twelve months;

34 (7) Transfers;

35 (8) Sick leaves and vacations;

36 (9) Hours of work;

1 (10) Layoffs when necessary and subsequent reemployment, both
2 according to seniority;

3 (11) Determination of appropriate bargaining units within any
4 agency: PROVIDED, That in making such determination the board shall
5 consider the duties, skills, and working conditions of the employees,
6 the history of collective bargaining by the employees and their
7 bargaining representatives, the extent of organization among the
8 employees, and the desires of the employees;

9 (12) Certification and decertification of exclusive bargaining
10 representatives: PROVIDED, That after certification of an exclusive
11 bargaining representative and upon the representative's request, the
12 director shall hold an election among employees in a bargaining unit to
13 determine by a majority whether to require as a condition of employment
14 membership in the certified exclusive bargaining representative on or
15 after the thirtieth day following the beginning of employment or the
16 date of such election, whichever is the later, and the failure of an
17 employee to comply with such a condition of employment constitutes
18 cause for dismissal: PROVIDED FURTHER, That no more often than once in
19 each twelve-month period after expiration of twelve months following
20 the date of the original election in a bargaining unit and upon
21 petition of thirty percent of the members of a bargaining unit the
22 director shall hold an election to determine whether a majority wish to
23 rescind such condition of employment: PROVIDED FURTHER, That for
24 purposes of this clause, membership in the certified exclusive
25 bargaining representative is satisfied by the payment of monthly or
26 other periodic dues and does not require payment of initiation,
27 reinstatement, or any other fees or fines and includes full and
28 complete membership rights: AND PROVIDED FURTHER, That in order to
29 safeguard the right of nonassociation of public employees, based on
30 bona fide religious tenets or teachings of a church or religious body
31 of which such public employee is a member, such public employee shall
32 pay to the union, for purposes within the program of the union as
33 designated by such employee that would be in harmony with his or her
34 individual conscience, an amount of money equivalent to regular union
35 dues minus any included monthly premiums for union-sponsored insurance
36 programs, and such employee shall not be a member of the union but is
37 entitled to all the representation rights of a union member;

38 (13) Agreements between agencies and certified exclusive bargaining
39 representatives providing for grievance procedures and collective

1 negotiations on all personnel matters over which the appointing
2 authority of the appropriate bargaining unit of such agency may
3 lawfully exercise discretion;

4 (14) Written agreements may contain provisions for payroll
5 deductions of employee organization dues upon authorization by the
6 employee member and for the cancellation of such payroll deduction by
7 the filing of a proper prior notice by the employee with the appointing
8 authority and the employee organization: PROVIDED, That nothing
9 contained herein permits or grants to any employee the right to strike
10 or refuse to perform his or her official duties;

11 (15) Adoption and revision of a comprehensive classification plan
12 for all positions in the classified service, based on investigation and
13 analysis of the duties and responsibilities of each such position.
14 (~~However, beginning July 1, 1993, through June 30, 1995,~~) The board
15 shall not adopt job classification revisions or class studies unless
16 implementation of the proposed revision or study will result in net
17 cost savings, increased efficiencies, or improved management of
18 personnel or services, and the proposed revision or study has been
19 approved by the director of financial management in accordance with
20 chapter 43.88 RCW;

21 (16) Allocation and reallocation of positions within the
22 classification plan;

23 (17) Adoption and revision of a state salary schedule to reflect
24 the prevailing rates in Washington state private industries and other
25 governmental units but the rates in the salary schedules or plans shall
26 be increased if necessary to attain comparable worth under an
27 implementation plan under RCW 41.06.155 and that, for institutions of
28 higher education and related boards, shall be competitive for positions
29 of a similar nature in the state or the locality in which an
30 institution of higher education or related board is located, such
31 adoption and revision subject to approval by the director of financial
32 management in accordance with the provisions of chapter 43.88 RCW;

33 (18) Increment increases within the series of steps for each pay
34 grade based on length of service for all employees whose standards of
35 performance are such as to permit them to retain job status in the
36 classified service. (~~However, beginning July 1, 1993, through June
37 30, 1995, increment increases shall not be provided to any classified
38 or exempt employees under the jurisdiction of the board whose monthly~~

1 ~~salary on or after July 1, 1993, exceeds three thousand seven hundred~~
2 ~~fifty dollars;))~~

3 (19) Providing for veteran's preference as required by existing
4 statutes, with recognition of preference in regard to layoffs and
5 subsequent reemployment for veterans and their surviving spouses by
6 giving such eligible veterans and their surviving spouses additional
7 credit in computing their seniority by adding to their unbroken state
8 service, as defined by the board, the veteran's service in the military
9 not to exceed five years. For the purposes of this section, "veteran"
10 means any person who has one or more years of active military service
11 in any branch of the armed forces of the United States or who has less
12 than one year's service and is discharged with a disability incurred in
13 the line of duty or is discharged at the convenience of the government
14 and who, upon termination of such service has received an honorable
15 discharge, a discharge for physical reasons with an honorable record,
16 or a release from active military service with evidence of service
17 other than that for which an undesirable, bad conduct, or dishonorable
18 discharge shall be given: PROVIDED, HOWEVER, That the surviving spouse
19 of a veteran is entitled to the benefits of this section regardless of
20 the veteran's length of active military service: PROVIDED FURTHER,
21 That for the purposes of this section "veteran" does not include any
22 person who has voluntarily retired with twenty or more years of active
23 military service and whose military retirement pay is in excess of five
24 hundred dollars per month;

25 (20) Permitting agency heads to delegate the authority to appoint,
26 reduce, dismiss, suspend, or demote employees within their agencies if
27 such agency heads do not have specific statutory authority to so
28 delegate: PROVIDED, That the board may not authorize such delegation
29 to any position lower than the head of a major subdivision of the
30 agency;

31 (21) Assuring persons who are or have been employed in classified
32 positions (~~under chapter 28B.16 RCW~~) before July 1, 1993, will be
33 eligible for employment, reemployment, transfer, and promotion in
34 respect to classified positions covered by this chapter;

35 (22) Affirmative action in appointment, promotion, transfer,
36 recruitment, training, and career development; development and
37 implementation of affirmative action goals and timetables; and
38 monitoring of progress against those goals and timetables.

1 The board shall consult with the human rights commission in the
2 development of rules pertaining to affirmative action. The department
3 of personnel shall transmit a report annually to the human rights
4 commission which states the progress each state agency has made in
5 meeting affirmative action goals and timetables.

6 **Sec. 911.** RCW 90.56.510 and 1994 1st sp.s. c 6 s 903 are each
7 amended to read as follows:

8 (1) The oil spill administration account is created in the state
9 treasury. All receipts from RCW 82.23B.020(2) shall be deposited in
10 the account. Moneys from the account may be spent only after
11 appropriation. The account is subject to allotment procedures under
12 chapter 43.88 RCW. On July 1 of each odd-numbered year, if receipts
13 deposited in the account from the tax imposed by RCW 82.23B.020(2) for
14 the previous fiscal biennium exceed the amount appropriated from the
15 account for the previous fiscal biennium, the state treasurer shall
16 transfer the amount of receipts exceeding the appropriation to the oil
17 spill response account. If, on the first day of any calendar month,
18 the balance of the oil spill response account is greater than twenty-
19 five million dollars and the balance of the oil spill administration
20 account exceeds the unexpended appropriation for the current biennium,
21 then the tax under RCW 82.23B.020(2) shall be suspended on the first
22 day of the next calendar month until the beginning of the following
23 biennium, provided that the tax shall not be suspended during the last
24 six months of the biennium. If the tax imposed under RCW 82.23B.020(2)
25 is suspended during two consecutive biennia, the department shall by
26 November 1st after the end of the second biennium, recommend to the
27 appropriate standing committees an adjustment in the tax rate. For the
28 biennium ending June 30, (~~1995~~) 1997, the state treasurer may
29 transfer funds from the oil spill response account to the oil spill
30 administration account in amounts necessary to support appropriations
31 made from the oil spill administration account in the omnibus
32 appropriations act adopted not later than June 30, (~~1994~~) 1995.

33 (2) Expenditures from the oil spill administration account shall be
34 used exclusively for the administrative costs related to the purposes
35 of this chapter, and chapters 90.48, 88.40, and 88.46 RCW. Starting
36 with the 1995-1997 biennium, the legislature shall give activities of
37 state agencies related to prevention of oil spills priority in funding

1 from the oil spill administration account. Costs of administration
2 include the costs of:

3 (a) Routine responses not covered under RCW 90.56.500;

4 (b) Management and staff development activities;

5 (c) Development of rules and policies and the state-wide plan
6 provided for in RCW 90.56.060;

7 (d) Facility and vessel plan review and approval, drills,
8 inspections, investigations, enforcement, and litigation;

9 (e) Interagency coordination and public outreach and education;

10 (f) Collection and administration of the tax provided for in
11 chapter 82.23B RCW; and

12 (g) Appropriate travel, goods and services, contracts, and
13 equipment.

14 NEW SECTION. **Sec. 912. FISCAL YEAR EXPENDITURE LIMITS.** An
15 agency's total general fund--state expenditures by fiscal year shall
16 not exceed the amount approved by the office of financial management
17 (OFM) in expenditure plans authorized under RCW 43.88.070 and
18 43.88.110. OFM shall ensure that these plans conform with fiscal year
19 expenditures in the OFM budget database as updated to reflect
20 legislative appropriations and governor's vetoes. In no case shall the
21 state-wide total of agency allotments exceed the Initiative 601
22 expenditure limit. The allotments of elected officials must match the
23 GFS fiscal year split contained in the updated OFM database.

24 NEW SECTION. **Sec. 913.** If any provision of this act or its
25 application to any person or circumstance is held invalid, the
26 remainder of the act or the application of the provision to other
27 persons or circumstances is not affected.

28 NEW SECTION. **Sec. 914.** This act is necessary for the immediate
29 preservation of the public peace, health, or safety, or support of the
30 state government and its existing public institutions, and shall take
31 effect July 1, 1995.
