

5013-S

Sponsor(s): Senate Committee on Natural Resources (originally sponsored by Senator Snyder)

Brief Description: Excluding all species of tuna, mackerel, and jack from the definitions of food fish and enhanced food fish.

**SB 5013-S - DIGEST**

(AS OF SENATE 2ND READING 2/13/95)

Excludes all species of tuna, mackerel, and jack from the definition of food fish and enhanced food fish for the purposes of chapters 75.08 and 82.27 RCW.

Authorizes the department to collect data on tuna, mackerel, and jack landings.
