Sponsor(s): Senate Committee on Government Operations (originally sponsored by Senators Haugen, Winsley and Sheldon)

Brief Description: Changing provisions relating to local voters' pamphlets.

SB 5071-S - DIGEST

(AS OF SENATE 2ND READING 1/17/96)

Revises RCW 29.81A.020 to delete the requirement that a unit of local government be located entirely with the county for publication of a voter's pamphlet.

Allows the pamphlet to include either the full text or a ballot title and explanatory statement.

Prohibits the explanatory statement from creating prejudice for or against the measure.
