

5080

Sponsor(s): Senators Smith, Gaspard, Roach, Long, Deccio, Haugen, Schow, Newhouse and Oke

Brief Description: Directing the department of licensing to develop electronic security systems to prevent fraud involving drivers' licenses and identicards.

SB 5080 - DIGEST

(SEE ALSO PROPOSED 2ND SUB)

Declares an intent to reduce the occurrence of fraudulent transactions and to reduce losses of state and federal funds by significantly lowering the incidence of welfare fraud.

Requires the development of a magnetic strip verification system and an electronic finger scan identification system.
