

5252-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Haugen, Wood, Rasmussen, Morton and Long)

Brief Description: Regulating salvage vehicles.

SB 5252-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides for a feasibility study of safety inspections for rebuilt vehicles after the vehicles have been declared a total loss.

Provides for an inspection procedure for the salvaged vehicles.

Provides for the issuance of branded certificate of titles which contain the words "reconstructed vehicle" or "repaired vehicle."
