Brief Description: Assessing a fee and providing recycling incentive payments on automotive motor oil sold.

SB 5497 - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Provides that, beginning July 1, 1996, a fee of five cents on each quart of motor oil sold in the state at the retail level shall be assessed from the manufacturer.

Authorizes incentives to be awarded to oil manufacturers, local governments, and other businesses that meet the conditions for collection of motor oil.

Creates the used oil recycling account.
