Sponsor(s): Senate Committee on Natural Resources (originally sponsored by Senators Gaspard, Sellar, Haugen, Hochstatter, Drew, A. Anderson, Swecker, Newhouse, Deccio, Rasmussen, Winsley and Morton)

Brief Description: Establishing a single-application process for watershed restoration projects.

SB 5616-S.E - DIGEST

(DIGEST AS ENACTED)

Requires the development, by January 1, 1996, of a single application process by which all permits for a watershed restoration project may be obtained.

Declares a goal of preserving and restoring the natural resources of the state and, in particular, fish and wildlife and their habitat.
