Brief Description: Amending the health services act of 1993.

SB 6032 - DIGEST

Makes extensive revisions to the health services act of 1993.

Provides for expanded enrollment in the basic health plan for adults and children.

Establishes the health care savings accounts and specifies procedures for implementing the program.

Provides for insurance reform by providing for portability of coverage by prohibiting an exclusion for pre-existing conditions.

Refers the act to the voters for their adoption or rejection at the next general election.

Repeals various provisions.
