Brief Description: Allowing a mental health practitioner and an enrollee to contract for services under certain circumstances.

SB 6129 - DIGEST

(DIGEST AS ENACTED)

Authorizes a mental health practitioner and an enrollee to contract for services under certain circumstances.

Declares that no contract may contain a provision prohibiting a practitioner and an enrollee from agreeing to contract for services solely at the expense of the enrollee.

Pertains to situations where the enrollee has exhausted mental health care coverage.
