

6340-S

Sponsor(s): Senate Committee on Natural Resources (originally sponsored by Senators Haugen and Drew)

Brief Description: Relating to the management of state forest land that lies above a sole source aquifer.

**SB 6340-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires DNR to maintain continuing forestry on all state forest lands above a single source aquifer on islands.

Prohibits conversion to a higher use when it would have a potential negative impact on a single source aquifer.

Provides for a joint legislative committee to study the conversion of state lands.
