Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Thibaudeau, Prentice, Owen and Wood)

Brief Description: Regulating electric-assisted bicycles.

SB 6351-S - DIGEST

(AS OF SENATE 2ND READING 2/8/96)

Provides that no driver's license is required for operation of an electric-assisted bicycle if the operator is at least sixteen years of age.

Does not require a moped registration.

Approves the use of a protective bicycle helmet instead of a motorcycle helmet.

Authorizes operation on a bicycle path.
