Brief Description: Proposing the civil rights act of 1996.

SB 6537 - DIGEST

Provides that every natural person, or governmental entity, that, under color of any statute, ordinance, regulation, custom, or usage, subjects any resident of the state of Washington to the deprivation of any rights, privileges, or immunities secured by the state Constitution, is liable to the party injured in an action at law, suit in equity, or other proper proceeding for the redress.
