6 On page 2, line 18 of the amendment, after "combustion." insert
7 "Local air authorities may adopt rules regarding the use and kind of
8 containers that may be used for outdoor burning within their
9 jurisdictions. Upon adoption, local rules adopted under this section
10 shall supersede any rule on the same subject issued by the department
11 or any fire district and may be less restrictive or more restrictive
12 than any rule on the same subject issued by the department or any fire
13 district."

EFFECT: Allows local air authorities to adopt rules regarding the use and kind of containers that may be used for outdoor burning in their jurisdiction. The rules supersede and may be less or more restrictive than rules on the same subject adopted by the Department of Ecology or by local fire districts.
