

2 **HB 1381** - S AMD to Senate Striking Amendment S2410.1 AMD 226
3 By Senator Horn

4
5 On page 1, beginning on line 15, after "employment" strike all
6 material through "transcripts," on line 16 and insert "and financial
7 aid,"

8 On page 1, line 17, after "law." insert "The institutions may use
9 the social security number of any student, staff, or faculty member for
10 the purpose of research, assessment, accountability, and transcripts as
11 long as students, staff, and faculty members are given an opportunity
12 at the time they submit their social security numbers to prevent their
13 social security numbers from being used for purposes other than
14 employment and financial aid, or as otherwise required by state or
15 federal law."

16 Renumber the sections consecutively and correct any internal
17 references accordingly.

« END «

EFFECT: Assures that the social security number is not used as a personal identifier for purposes other than employment and financial aid unless permission is given by students, faculty or staff of an institution of higher education.
