

ESHB 2419 - S COMM AMD

By Committee on Labor, Commerce & Financial Institutions

1 On page 3, line 37, after "increase" insert the following:
2 "In actions involving fuel, reasonable expenses shall also include
3 increases in price commensurate with supply disruptions or reductions
4 experienced by the retailer when such increases in retail price are
5 designed to reduce demand by consumers."

6 Renumber the sections consecutively and correct any internal
7 references accordingly.

« END ---

EFFECT: Provides that a fuel retailer may increase prices in order to reduce demand on fuel when the retailer's supply of fuel is disrupted or reduced.
