5 On page 2, after line 16, insert the following:

6 "NEW SECTION. **Sec. 3.** (1) The legislature finds that poor  
7 nutrition for minors contributes to significant and expensive health  
8 problems now and later in life, including obesity, tooth decay,  
9 cardiovascular disease, diabetes, and cancer. The legislature also  
10 finds that eating "empty calorie" foods that contain limited or no  
11 nutritional value, but are high in sugar, fats, or cholesterol, are  
12 partly to blame for the diets that promote poor health in minors.

13 The legislature recognizes the value of creating disincentives for  
14 unhealthy behavior, including poor eating habits, by minors. The  
15 state's public health system is an important resource for promoting  
16 good nutrition for minors, as it is for helping to reduce the incidence  
17 of disease.

18 (2) Any premises engaged in the sale of carbonated beverages or  
19 candy may only sell carbonated beverages or candy from behind the  
20 counter or from within locked display units."

21 Renumber the remaining section consecutively.
