4 ADOPTED 02/19/02

5 On page 2, beginning on line 2, after "address" strike all material
6 through "resident" on line 5, and insert "or from directories of
7 Washington residents that are readily available on-line and reasonably
8 reliable"

EFFECT: This is a technical amendment requested by the Attorney General and the Washington Assoc. of Internet Service Providers. The amendment narrows the directory source that may be used to determine whether a recipient is a resident of Washington by requiring that the directory of Washington residents be readily available on-line and reasonably reliable.
