1 On page 2, line 2, after "of" strike everything through "licenses"  
2 on line 5, and insert "three dollars applies to the resident shellfish  
3 and seaweed license and a surcharge of ten dollars applies to the  
4 nonresident shellfish and seaweed license"

« END «

**EFFECT:** Establishes a surcharge of \$3 for resident and \$10 for nonresident shellfish and seaweed licenses. The surcharge for combination fishing licenses included in the underlying bill is eliminated.
