HB 2483

Brief Description: Modifying the disposition of title fees.

Sponsors: Representatives Murray and McIntire.

Brief Summary of Bill

- Technical correction to implement the disposition of title fees as intended by the 2003 Legislature.

Staff: Jerry Long (786-7306).

Background:

SB 6072, which passed during the 2003 session, transferred some vehicle title fees to accounts funding three activities: (1) retrofitting school buses with exhaust emission control devices; (2) locating a tug boat at the entrance of the Strait of Juan de Fuca whose primary mission is to arrest the drift of disabled vessels in order to prevent a spill and; (3) to provide funding to the nickel account.

After the 2003 session it was found that the language in SB 6072 did not transfer the funds to the appropriate accounts that were intended in the bill, thus not providing the funding necessary to provide the services that the bill intended.

Summary of Bill:

Corrections are made to the disposition of title fee revenue to meet the intentions and the appropriations made in SB 6072.

Appropriation: None.

Fiscal Note: Requested on January 15, 2004.

Effective Date: The bill takes effect on July 1, 2004.
