Brief Description: Requiring voting devices to be accessible to individuals with disabilities.

**HB 1222-S - DIGEST**

(DIGEST AS ENACTED)

Directs the secretary of state to adopt rules and establish standards for voting technology and systems used by the state or any political subdivision to be accessible for individuals with disabilities, including nonvisual accessibility for the blind and visually impaired, in a manner that provides the same opportunity for access and participation, including privacy and independence, as other voters.
