

**SHB 1903** - H AMD TO 1903-S AMH ERIM TAYL 036

By Representative Linville

1 On page 5, after line 9 of the amendment, insert the following:

2 "NEW SECTION. **Sec. 5.** The office of financial management  
3 shall conduct an inventory and evaluate the most effective way to  
4 organize the state public infrastructure programs and funds. The  
5 inventory shall identify: the public infrastructure programs and  
6 funds and the purposes they serve; how the program or fund is  
7 implemented; the dollar amount of the projects funded by each  
8 program or fund, if applicable; and the geographic distribution of  
9 projects supported by a program or fund. Where applicable, the  
10 inventory shall identify overlaps and gaps in the types of public  
11 infrastructure projects supported through state programs or funds.  
12 The evaluation shall take into consideration the legislature's  
13 desire to have the most efficient and effective programs that fund:  
14 economic development and job growth; repairing failing systems;  
15 expanding systems to handle growth; geographic diversity; the type  
16 of systems; and environmental improvements. The inventory and  
17 evaluation shall be delivered to the appropriate committees of the  
18 legislature by December 1, 2005."

19 Renumber the sections consecutively and correct any internal  
20 references accordingly.

21 Correct the title.

22 **EFFECT:** Requires the Office of Financial Management to  
conduct an inventory and evaluation of existing public  
infrastructure programs and funds and report to the  
appropriate committees of the Legislature by December 1,  
2005.
