Background:

Currently, health carriers may cover subsidized or nonsubsidized enrollees in the Basic Health Plan. They are not required to cover both groups. Individuals who apply for coverage in the individual market are required to complete a health screen prior to acceptance by a health carrier. If the screen determines they are in the top 8 percent of persons who are the most costly to treat, the health carrier may decline to offer them coverage in the individual market and refer them to the Washington state health insurance pool. There is no requirement that an individual applying for coverage through the basic Health Plan take a health screen as part of the application process. Health carriers may provide coverage for subsidized or non-subsidized enrollees in the Basic Health Plan, but they are not required to cover both groups.

Summary of Engrossed Substitute Bill:

Individuals applying for Basic Health Plan non-subsidized coverage will take the individual market health screen prior to acceptance. Individuals who fail the health screen will be rejected for Basic Health Plan coverage and be referred to the Washington State Health Insurance Pool for coverage.

Appropriation: None.

Fiscal Note: Requested on February 17, 2005.

Effective Date: The bill takes effect 90 days after adjournment of session in which bill is passed.

Testimony For: (Health Care) None.

Testimony For: (Appropriations) (Comments) We have been working with our actuaries, and this is unlikely to affect rates in the subsidized Basic Health Plan (BHP). Three of our five providers are also interested in developing a new unsubsidized product that this bill enables. The product would probably be very similar to that provided by the BHP today.

Testimony Against: (Health Care) This legislation will not help the uninsured or businesses looking to purchase affordable health coverage for enrollees.

Testimony Against: (Appropriations) We oppose this on the lack of a fiscal note. The conditions imposed on carriers because of the Washington State Health Insurance Pool is substantial and growing. We ask that the bill be held until a fiscal analysis is complete.

Persons Testifying: (Health Care) (Opposed) Sydney Zvara, Association of Washington Healthcare Plans.

Persons Testifying: (Appropriations) (Opposed) Mel Sorensen, American Health Insurance Plans.

(Comments) Pete Cutler, Health Care Authority.
