The legislation also required the Task Force to report its findings and recommendations to the Legislature.

The Task Force held six public meetings in 2004, and made five recommendations. One of the Task Force's recommendations was to expand the membership and extend the life of the

Task Force in order to consider matters that were raised at the 2004 meetings of the Task Force but that require further analysis and discussion.

The Task Force is authorized to continue its work until December 31, 2005, at which time it will report its findings and recommendations to the Legislature.
