

E2SSB 5070 - H AMD TO HS COMM AMD (5070-S2.E AMH HS H3165.2) **780**
By Representative Bailey

1 On page 22, after "(3)" on line 12, insert the following:
2 "If an offender is accused of violating any condition or
3 requirement of community custody, and is placed in total
4 confinement due to the violation, the offender may not be released
5 due to a lack of bed space.
6 (4)"

7 Renumber the subsections consecutively and correct the internal
8 references accordingly.

EFFECT: Prohibits an offender who is placed in total confinement due to a violation of any condition or requirement of community custody from being released due to a lack of bed space.
