NOT ADOPTED 04/03/2007

1 On page 2, after line 26, insert the following:

2 "(8) "Meets applicable fire safety standards" means:

3 (a) That an identified alternative product that does not contain  
4 deca-bde will meet applicable fire safety standards for such a product;

5 or

6 (b) If fire safety standards have not yet been established for an  
7 identified alternative product, that the identified alternative product  
8 will provide protection from fire that is substantially equivalent to  
9 the product containing deca-bde."

10 Renumber the remaining subsections consecutively and correct any  
11 internal references accordingly.

EFFECT: Defines applicable fire safety standard to mean the  
alternative meets established fire safety standards for similar  
products, and if there is no fire safety standard, the alternative will  
provide equivalent fire protection to products containing deca-bde.
