

**SSB 5831** - S AMD 87

By Senators Kohl-Welles and Benton

**PULLED 2/15/2008**

1        On page 7, line 6, after "flue" insert "(l) Performing minor  
2 flexible ducting repairs in a single family, residential structure;  
3        (m) Performing cleaning, repair or replacement of fuel oil filters  
4 and nozzles of an oil heat burner assembly; or  
5        (n) Making like-in-kind replacement of an oil heat furnace in a  
6 single family, residential structure and the associated fittings  
7 necessary to connect the replacement oil heat furnace to existing  
8 ductwork in a single family, residential structure"

--- END ---

**EFFECT:** Allows the following work to be performed without certification: minor flexible ducting repairs in a single family, residential structure; cleaning, repair, or replacement of fuel oil filters and nozzles of an oil heat burner assembly; and like-in-kind replacement of an oil heat furnace and the associated fittings necessary to connect the furnace to existing ductwork in a single family, residential structure.
