WITHDRAWN 4/17/2009

1 On page 7, line 37 of the striking amendment, after "(l)" insert
2 the following:

3 "A qualifying utility may count electricity from a hydroelectric
4 generation facility at two times the facility's output and apply it to
5 the annual target in (a) of this subsection if a qualifying
6 utility:(i) Does not own or operate a coal-fired power facility to
7 generate electricity for sale to its customers; or (ii) purchase
8 electricity generated from a coal-fired power facility for sale to its
9 customers.

10 (m)"

EFFECT: Allows a qualifying utility to count electricity from a hydroelectric generation facility at two times the facility's output and apply it to its annual renewable resource targets, if a qualifying utility:(i) does not own or operate a coal-fired power facility to generate electricity for sale to its customers; or (ii) purchase electricity generated from a coal-fired power facility for sale to its customers.
