Hearing Date: 3/18/10

Staff: Kristen Fraser (786-7148).

Background:

In addition to the state general fund, which may be expended for any lawful purpose, the state maintains several hundred funds and accounts that are dedicated to particular statutory purposes. These accounts generally fall into one of three categories: (1) accounts located in the state treasury, thereby subject to appropriation by the Legislature; (2) accounts held in the custody of the State Treasurer and typically not subject to legislative appropriation; and (3) accounts located in state agencies and institutions of higher education, known as local accounts. Some funds and accounts, due to lack of recent activity, have been deemed by the Office of Financial Management to be inactive accounts.

Summary of Bill:

The following inactive funds and accounts are abolished:

- City and County Advance Right-of-Way Revolving Account;
- Community and Technical College Fund for Innovation and Quality Account;
- Dairy Products Commission Facility Account;
- Data Processing Building Construction Account;
- Education Technology Account;
