

HB 1612 - DIGEST

Declares an intent to help people protect themselves from unintended pregnancy and sexually transmitted disease through programs that are evidence-based, economical, and consistent with RCW 28A.300.475 (the state's healthy youth act) as existing on the effective date of the act.

Authorizes state agencies to apply for sexual health education funding for programs that are medically and scientifically accurate including, but not limited to, programs on abstinence, the prevention of sexually transmitted diseases, and the prevention of unintended pregnancies.
