

HB 3083 - DIGEST

Requires state agencies to: (1) Before adopting administrative rules, make a thorough, realistic, and comprehensive assessment of the economic impact, and burdens the economic impact places, on the businesses that must comply with the rules to ensure that the full impact and costs of all proposed agency rules are understood before their adoption; and

(2) Post a copy of the small business economic impact statement on its web site if it posts the proposed rule on its web site.
