

HB 1336 - H AMD 183

By Representative Holy

1 On page 1, line 20, after "check." insert "After a license has
2 been granted, the Washington state patrol must compare fingerprints
3 of applicants against fingerprint records available to it every two
4 years."

5
6 On page 2, line 36, after "fee" insert "that exists on the
7 effective date of this section"

8

EFFECT: (1) Requires the fingerprints of an applicant for a private security guard license to be compared to records available to the Washington State Patrol every two years after a private security guard license has been granted.

(2) Provides that the fee required for a private security guard license must remain at the same amount that is in effect as of the effective date of the provision.
