1 On page 47, after line 4, insert the following:

2 "(6) Within existing resources, the department shall compile a
3 report on safe routes to schools which must include, but is not
4 limited to, an outcomes review of completed projects, a status report
5 on currently funded projects, and an inventory of routes eligible for
6 future funding. The inventory of routes eligible for future funding
7 must detail the current safety level of the routes using available
8 data. The department shall submit the report to the transportation
9 committees of the legislature by January 1, 2014."
