

1 **SHB 1330 - H AMD 357 ADOPTED 4-6-91**

2 By Representatives Haugen, Spanel and Wilson

3 On page 60, line 16, after "implement" strike the remainder  
4 of the subsection and insert "a pilot program for dislocated  
5 timber worker training. The program shall be developed with the  
6 Skagit Valley Community College to provide training opportunities  
7 for dislocated workers in the areas of fisheries, wildlife,  
8 recreation and other natural resource professions. The  
9 department shall consult with the departments of natural  
10 resources, ecology, wildlife, fisheries, and the parks and  
11 recreation commission in developing the program."

12 **SHB 1330 - H AMD 357 ADOPTED 4-6-91**

13 By Representatives Haugen, Spanel and Wilson

14 On page 133, line 3, after "project" strike the remainder of  
15 the subsection and insert: "under section 228 of this act,  
16 enrollment funding under this subsection shall be used to  
17 contribute to the implementation of the pilot project."

EFFECT: From federal funds received by ESD to support  
dislocated timber workers, the department is directed to  
establish a dislocated worker pilot project in conjunction  
with the community colleges. References to ESHB 1315  
(dislocated timber workers) are deleted.
