3 Mitchell

4 On page 92, after line 3, insert new subsection:

5 "(13) The superintendent shall prepare a study which
6 identifies (a) the extent of the problem of large class size in
7 areas of high population growth and; (b) proposes strategies for
8 reduction of class size in the maximum number of high population
9 growth districts with the largest deviations above the state-wide
10 average class."

11 EFFECT: Provides for a study of class size reduction in areas
12 of the state experiencing high growth rate in the general
13 population.
