

1 **SHB 1427 - H AMD 508 NOT CONSIDERED 4-12-91**

2 By Representative Nelson

3 On page 22, after line 17, strike all material through
4 "appropriation." on page 22, line 36, and insert the following:

5 "(d) The department shall provide up to \$2,000,000 of the
6 amounts provided under (a) and (c) of this subsection for grant and
7 loan requests by eligible organizations to fund projects that
8 incorporate innovative design techniques and increased density into
9 affordable housing projects.

10 "(e) The Washington housing trust fund appropriation is
11 provided solely for the department to contract with the University
12 of Washington college of architecture for a study on various
13 innovative design techniques that can be used in affordable housing
14 projects. No indirect costs of the contracting agent may be paid
15 from this appropriation."

EFFECT: Allocates \$2 million from the capital budget
appropriation to encourage the development of affordable
housing projects that incorporate design and increased density
into affordable housing projects.

Directs the University of Washington to study innovative
design techniques that can be used in affordable housing
projects.
