3 On page 6, after line 19, insert:

4 "NEW SECTION. **Sec. 9.** Institutions of higher education  
5 shall consider, based on the recommendations of the parking and  
6 transportation management advisory committee, the development of  
7 parking and transportation management programs to ensure access to  
8 their facilities for students, employees, and visitors; and promote  
9 alternatives to the single occupant automobile."

10 Renumber the following sections accordingly.

EFFECT: Requests the institutions of higher education to consider developing parking and transportation programs that ensure access and promote car pooling, van sharing, and other group transportation modes.
