

1 **SHB 1649** - H AMD
2 By Representative Chandler

3 On page 2, line 26, after "dischargers" insert: "and on
4 indirect dischargers who funnel waste water to a municipal
5 processing facility"

EFFECT: Notifies department that cost recovery for permits for indirect dischargers who send waste water directly to a municipal waste water treatment facility should be related to the expense of administration.
