2 By Representatives Wynne and Horn

3 On page 2, after line 24, insert a new subsection:

4 "(4) The fees charged industrial other dischargers shall not
5 be used by the department to subsidize the costs of activities
6 authorized under subsection (1) for municipal dischargers; and, the
7 fees charged municipal dischargers shall not be used by the
8 department to subsidize the costs of activities authorized under
9 subsection (1) for industrial and other dischargers."

10 Renumber the remaining subsections sequentially.

EFFECT: Directs that fees to different categories of users shall be directly related to the department costs to administer the permit process.
