SHB 2610 - H AMD 0121 ADOPTED 2/17/92

2 By Representative R. Fisher

3 On page 5, line 7, after "area." insert "In addition to the
4 system plan requirements contained in RCW 81.104.100(2)(d), the
5 system plan submitted to voters shall contain an equity element
6 which:

7 (i) identifies revenues anticipated to be generated by
8 corridor and by county within the authority's boundaries;

9 (ii) identifies the phasing of construction and operation of
10 high capacity system facilities, services, and benefits in each
11 corridor; and

12 (iii) identifies the degree to which revenues generated within
13 each county will benefit the residents of that county."

14 EFFECT: Requires that the HCT system plan identify: Revenues to
15 be generated by county and by HCT corridor; the phasing of
16 construction and operation of HCT facilities, services and benefits
17 in each corridor; and the degree to which revenues from each county
18 benefit residents of the county.
