SHB 2769 - H AMD 0234 ADOPTED 2/18/92

2 By Representatives May, Grant, Bray, Casada and Miller

3 On page 5 line 24 after "bill" strike "as
4 "~~((Telecommunications devices))~~ Funds for relay services to connect
5 with the deaf and hearing impaired" and insert "~~(as~~
6 ~~"Telecommunications devices funds for deaf and hearing~~
7 ~~impaired~~)".

EFFECT: Deletes statutory specification of what text is to be on a telephone bill and leaves the text to the telephone companies and the Utilities and Transportation Commission. The statute will simply require that there be separate identification of the excise tax.
