3 On page 2, after line 16, insert the following:

4 "(g) If hazardous materials will be contained at the major
5 industrial development site, hazardous material response teams will
6 be able to adequately respond under the county emergency management
7 plan provided for in RCW 38.52.070;"

8 Reletter the remaining subsection consecutively.

EFFECT: Requires adequate response teams to be available under the county emergency management plan before the final approval of an application for a major industrial development that contains hazardous materials.
