

1 **2SSB 5667** - H COMM AMD **ADOPTED 4-16-91**

2 By Committee on Health Care

3 On page 8, beginning on line 3, after "facilities or", strike  
4 the remainder of the subsection and insert "for regional support  
5 networks to contract with local hospitals to assure access for  
6 regional support network patients."

EFFECT: Provides regional support networks with greater flexibility in contracting with freestanding evaluation and treatment facilities and hospitals.
