ESSB 5756 - H AMD 635 ADOPTED 4-19-91

2 By Representative Grant

3 On page 27, line 2, after "ecology" strike "pursuant to RCW
4 43.200.080 and shall not include any other fees, assessments, or
5 charges imposed on or collected by such entity." and insert "as
6 specifically referred to as rent in the sublease agreement between
7 the parties and shall not include any other fees, assessments, or
8 charges imposed on or collected by such entity irrespective of
9 whether the private or public entity pays or collects such other
10 fees, assessments, or charges as specified in the sublease
11 agreement."

EFFECT: Revises the leasehold tax basis. There is erroneous reference to a subsection which was not included in the bill which is eliminated. Instead, the basis is keyed to the state-operator site sublease.
