ESSB 5996 - H AMD 685 FAILED 6-27-91

2 By Representatives Padden, Hargrove and R. Meyers

3 On page 13, on line 10 after "support." insert "The maximum
4 amount of child support the court may award to pay for the cost of
5 tuition is the amount of tuition set for students who are residents
6 of the state of Washington who attend a state-funded four-year
7 university."

EFFECT: The court may not order a parent to pay for post-secondary education tuition that exceeds the amount of tuition that an in-state resident would have to pay to attend a four-year in state university. This provision is identical to the provision that passed in 5120.
