25 (10) A maximum of \$2,450,000 may be expended in the 1991-92 fiscal
26 year and a maximum of \$2,450,000 may be expended in the 1992-93 fiscal

2 in excess of the amount required to maintain the statutory minimum
3 ratio established under RCW 28A.150.260(2)(c), shall be allocated only
4 if the district documents an actual ratio equal to or greater than 54.3
5 certificated instructional staff per thousand full time equivalent
6 students in grades K-3. For any school district documenting a lower

11 (b) Districts at or above 51.0 certificated instructional staff per
12 one thousand full time equivalent students in grades K-3 may dedicate
13 up to 1.3 of the 54.3 funding ratio to employ additional classified
14 instructional assistants assigned to basic education classrooms in
15 grades K-3. For purposes of documenting a district's staff ratio under
16 subsection (11)(a) and (c) of this section, funds used by the district
17 to employ additional classified instructional assistants shall be
18 converted to a certificated staff equivalent and added to the
19 district's actual certificated instructional staff ratio. Additional
20 classified instructional assistants, for the purposes of this
21 subsection, shall be determined using the 1989-90 school year as the
22 base year.

23 (c) Any district maintaining a ratio equal to or greater than 54.3
24 certificated instructional staff per thousand full time equivalent
25 students in grades K-3 may use allocations generated under subsection
26 (2)(a)(ii) in excess of that required to maintain the minimum ratio
27 established under RCW 28A.150.260(2)(c) to employ additional basic
28 education certificated instructional staff or classified instructional

3 for provision of classified instructional assistants.

4 (12) The superintendent of public instruction shall study the rate
5 of staff per student if current levels of certificated instructional
6 staffing and paraprofessionals are counted together as "classroom
7 resources." A report identifying "classroom resource" per pupil rates
8 shall be provided to the appropriate fiscal and policy committees of
9 the house of representatives and senate by January 10, 1992."

5 (a) For 1991-92, the allocation for each certificated instructional
6 staff unit shall be the 1991-92 derived base salary, as shown on LEAP

8 actual 1991-92 full time equivalent basic education certificated
9 instructional staff using LEAP Document 1A.

10 (b) For 1992-93, the allocation for each certificated instructional

9 appropriation shall be reduced by the amount of loan moneys disbursed
10 from the treasury during the 1991-93 biennium."

11 "NEW SECTION. **Sec. 902.** INFORMATION SYSTEMS PROJECTS. Agencies
12 shall comply with the following requirements regarding information
13 systems projects when specifically directed to do so by this act.

23 project. The plan or plans shall address all factors critical to
24 successful completion of each project. The plan shall include, but is
25 not limited to, the following elements: A description of the problem

3 cost of each phase; a description of how the agency will facilitate
4 responsibilities of oversight agencies; a description of key decision
5 points in the project life cycle; a description of variance control
6 measures; a definitive schedule that shows the elapsed time estimated
7 to complete the project and when each task is to be started and
8 completed; and a description of resource requirements to accomplish the
9 activities within specified time, cost, and functionality constraints.

10 (3) A copy of each feasibility study and project management plan
11 shall be provided to the department of information services, the office
12 of financial management, and appropriate legislative committees.
13 Authority to expend any funds for individual information systems

23 cost and benefits analysis, and other aspects critical to completion of
24 a project.

25 Work shall not commence on any task in a subsequent phase of a
26 project until the status report for the preceding key decision point
