12 Every motor truck, truck tractor, and tractor exceeding 6,000
13 pounds empty scale weight registered under chapter 46.16, 46.87, or
14 46.88 RCW shall be licensed for not less than one hundred fifty percent
15 of its empty weight unless the amount would be in excess of the legal
16 limits prescribed for such a vehicle in RCW 46.44.041 or 46.44.042, in
17 which event the vehicle shall be licensed for the maximum weight
18 authorized for such a vehicle.

19 The following provisions apply when increasing gross or combined
20 gross weight for a vehicle licensed under this section:

21 (a) The new license fee will be one- twelfth of the fee listed
22 above for the new gross weight, multiplied by the number of months
23 remaining in the period for which licensing fees have been paid,
24 including the month in which the new gross weight is effective.

25 (b) Upon surrender of the current certificate of registration or
26 cab card, the new licensing fees due shall be reduced by the amount of
27 the licensing fees previously paid for the same period for which new
28 fees are being charged.

29 (2) The proceeds from the fees collected under subsection (1) of
30 this section shall be distributed in accordance with RCW 46.68.035."

1 **"Sec. 7.** RCW 46.16.160 and 1987 c 244 s 6 are each amended to read
2 as follows:

3 (1) The owner of a vehicle which under reciprocal relations with
4 another jurisdiction would be required to obtain a license registration
5 in this state or an unlicensed vehicle which would be required to
6 obtain a license registration for operation on public highways of this
7 state may, as an alternative to such license registration, secure and
8 operate such vehicle under authority of a trip permit issued by this
9 state in lieu of a Washington certificate of license registration, and
10 licensed gross weight if applicable. The licensed gross weight shall
11 not exceed eighty thousand pounds for a combination of vehicles nor
12 forty thousand pounds for a single unit vehicle with three or more
13 axles. Trip permits may also be issued for movement of mobile homes
14 pursuant to RCW 46.44.170. For the purpose of this section, a vehicle
15 is considered unlicensed if the licensed gross weight currently in
16 effect for the vehicle or combination of vehicles is not adequate for
17 the load being carried. Vehicles registered under RCW 46.16.135 shall
18 not be operated under authority of trip permits in lieu of further
19 registration within the same registration year.

20 (2) Each trip permit shall authorize the operation of a single
21 vehicle at the maximum legal weight limit for such vehicle for a period
22 of three consecutive days commencing with the day of first use. No
23 more than three such permits may be used for any one vehicle in any
24 period of thirty consecutive days. Every permit shall identify, as the
25 department may require, the vehicle for which it is issued and shall be
26 completed in its entirety and signed by the operator before operation
27 of the vehicle on the public highways of this state. Correction of
28 data on the permit such as dates, license number, or vehicle
29 identification number invalidates the permit. The trip permit shall be

1 displayed on the vehicle to which it is issued as prescribed by the
2 department.

3 (3) Vehicles operating under authority of trip permits are subject
4 to all laws, rules, and regulations affecting the operation of like
5 vehicles in this state.

6 (4) Prorate operators operating commercial vehicles on trip permits
7 in Washington shall retain the customer copy of such permit for four
8 years.

9 (5) Blank trip permits may be obtained from field offices of the
10 department of transportation, Washington state patrol, department of
11 licensing, or other agents appointed by the department. For each
12 permit issued, there shall be collected a filing fee as provided by RCW
13 46.01.140, an administrative fee of eight dollars, and an excise tax of
14 one dollar. If the filing fee amount of one dollar prescribed by RCW
15 46.01.140 is increased or decreased after January 1, 1981, the
16 administrative fee shall be adjusted to compensate for such change to
17 insure that the total amount collected for the filing fee,
18 administrative fee, and excise tax remain at ten dollars. These fees
19 and taxes are in lieu of all other vehicle license fees and taxes. No
20 exchange, credits, or refunds may be given for trip permits after they
21 have been purchased.

22 (6) The department may appoint county auditors or businesses as
23 agents for the purpose of selling trip permits to the public. County
24 auditors or businesses so appointed may retain the filing fee collected
25 for each trip permit to defray expenses incurred in handling and
26 selling the permits.

27 (7) A violation of or a failure to comply with any provision of
28 this section is a gross misdemeanor.

29 (8) The department of licensing may adopt rules as it deems
30 necessary to administer this section.

1 (9) All administrative fees and excise taxes collected under the
2 provisions of this chapter shall be forwarded by the department with
3 proper identifying detailed report to the state treasurer who shall
4 deposit the administrative fees to the credit of the motor vehicle fund
5 and the excise taxes to the credit of the general fund. Filing fees
6 will be forwarded and reported to the state treasurer by the department
7 as prescribed in RCW 46.01.140."

8 "Sec. 8. RCW 46.44.041 and 1988 c 229 s 1 and 1988 c 6 s 2 are
9 each reenacted and amended to read as follows:

11 highways of this state with a gross load on any single axle in excess
12 of twenty thousand pounds, or upon any group of axles in excess of that
13 set forth in the following table, except that two consecutive sets of

13 over take higher. The maximum load on any axle in any group of axles
14 shall not exceed the single axle or tandem axle allowance as set forth
15 in the table above.

16 The maximum axle and gross weights specified in this section are
17 subject to the braking requirements set up for the service brakes upon
18 any motor vehicle or combination of vehicles as provided by law.

19 ~~((It is unlawful to operate upon the public highways any single
20 unit vehicle, supported upon three axles or more with a gross weight
21 including load in excess of forty thousand pounds or any combination of
22 vehicles having a gross weight in excess of eighty thousand pounds
23 without first obtaining an additional tonnage permit as provided for in
24 RCW 46.44.095: PROVIDED, That when a combination of vehicles has
25 purchased license tonnage in excess of seventy two thousand pounds as
26 provided by RCW 46.16.070, such excess license tonnage may be applied
27 to the power unit subject to limitations of RCW 46.44.042 and this
28 section when such vehicle is operated without a trailer.))~~

1 It is unlawful to operate any vehicle upon the public highways
2 equipped with two axles spaced less than seven feet apart unless the
3 two axles are so constructed and mounted that the difference in weight
4 between the axles does not exceed three thousand pounds. However,
5 variable lift axles are exempt from this requirement. For purposes of
6 this section, a "variable lift axle" is an axle that may be lifted from
7 the roadway surface, whether by air, hydraulic, mechanical, or any
8 combination of these means. The weight allowed on the axle is governed
9 by RCW 46.44.042 and this section.

10 Loads of not more than eighty thousand pounds which may be legally
11 hauled in the state bordering this state which also has a sales tax,
12 are legal in this state when moving to a port district within four
13 miles of the bordering state except on the interstate system. This
14 provision does not allow the operation of a vehicle combination
15 consisting of a truck tractor and three trailers.

16 Notwithstanding anything contained herein, a vehicle or combination
17 of vehicles in operation on January 4, 1975, may operate upon the
18 public highways of this state, including the interstate system within
19 the meaning of section 127 of Title 23, United States Code, with an
20 overall gross weight upon a group of two consecutive sets of dual axles
21 which was lawful in this state under the laws, regulations, and
22 procedures in effect in this state on January 4, 1975."

15 vehicles owned and operated by the state of Washington, a county within
16 the state, a city or town or metropolitan municipal corporation within
17 the state, or the federal government."

18 "Sec. 10. RCW 46.44.095 and 1990 c 42 s 108 are each amended to
19 read as follows:

20 ~~((When a combination of vehicles has been lawfully licensed to a~~
21 ~~total gross weight of eighty thousand pounds and when a three or more~~
22 ~~axle single unit vehicle has been lawfully licensed to a total gross~~
23 ~~weight of forty thousand pounds pursuant to provisions of RCW~~
24 ~~46.44.041, a permit for additional gross weight may be issued by the~~
25 ~~department of transportation upon the payment of fifty two dollars and~~
26 ~~fifty cents per year for each one thousand pounds or fraction thereof~~
27 ~~of such additional gross weight: PROVIDED, That the tire limits~~
28 ~~specified in RCW 46.44.042 shall apply, and the gross weight on any~~

1 single axle shall not exceed twenty thousand pounds, and the gross load
2 on any group of axles shall not exceed the limits set forth in RCW
3 46.44.041:— PROVIDED FURTHER, That within the tire limits of RCW
4 46.44.042, and notwithstanding RCW 46.44.041 and 46.44.091, a permit
5 for an additional six thousand pounds may be purchased for the rear
6 axles of a two axle garbage truck or eight thousand pounds for the
7 tandem axle of a three axle garbage truck at a rate not to exceed
8 forty two dollars per thousand. Such additional weight in the case of
9 garbage trucks shall not be valid or permitted on any part of the
10 federal interstate highway system.

11 The annual additional tonnage permits provided for in this section
12 shall be issued upon such terms and conditions as may be prescribed by
13 the department pursuant to general rules adopted by the transportation
14 commission. Such permits shall entitle the permittee to carry such
15 additional load in an amount and upon highways or sections of highways
16 as may be determined by the department of transportation to be capable
17 of withstanding increased gross load without undue injury to the
18 highway: PROVIDED, That the permits are not valid on any highway where
19 the use of such permits would deprive this state of federal funds for
20 highway purposes.

21 For those vehicles registered under chapter 46.87 RCW, the annual
22 additional tonnage permits provided for in this section may be issued
23 to coincide with the registration year of the base jurisdiction. For
24 those vehicles registered under chapter 46.16 RCW and whose
25 registration has staggered renewal dates, the annual additional tonnage
26 permits may be issued to coincide with the expiration date of the
27 registration. The permits may be purchased at any time, and if they
28 are purchased for less than a full year, the fee shall be one twelfth
29 of the full fee multiplied by the number of months, including any
30 fraction thereof, covered by the permit. When the department issues a

2 department transfers a permit from one vehicle to another a fee of
3 fourteen dollars shall be charged for each duplicate issued or each
4 transfer. The department of transportation shall issue permits on a
5 temporary basis for periods not less than five days at two dollars and
6 eighty cents per day for each two thousands pounds or fraction thereof.

7 The fees levied in RCW 46.44.0941 and this section shall not apply
8 to any vehicles owned and operated by the state of Washington, any
9 county within the state, or any city or town or metropolitan municipal
10 corporation within the state, or by the federal government.

11 In the case of fleets prorating license fees under the provisions
12 of chapter 46.87 RCW, the fees provided for in this section shall be
13 computed by the department of transportation by applying the proportion
14 of the Washington mileage of the fleet in question to the total mileage
15 of the fleet as reported pursuant to chapter 46.87 RCW to the fees that
16 would be required to purchase the additional weight allowance for all
17 eligible vehicles or combinations of vehicles for which the extra
18 weight allowance is requested.

19 When computing fees that result in an amount other than full
20 dollars, the fee shall be increased to the next full dollar if fifty
21 cents or over and shall be reduced to the next full dollar if forty-
22 nine cents or under. The minimum fee for any prorated tonnage permit
23 issued under this section shall be thirty five dollars.))

24 When a combination of vehicles has been licensed to a total gross
25 weight of 80,000 pounds or when a three or more axle single unit
26 vehicle has been licensed to a total gross weight of 40,000 pounds, a
27 temporary additional tonnage permit to haul loads in excess of these
28 limits may be issued. This permit is valid for periods of not less
29 than five days at two dollars and eighty cents per day for each two
30 thousand pounds or fraction thereof. The fee may not be prorated. The

1 permits shall authorize the movement of loads not exceeding the weight
2 limits set forth in RCW 46.44.041 and 46.44.042."

3 "Sec. 11. RCW 46.44.096 and 1989 c 398 s 4 are each amended to
4 read as follows:

5 In determining fees according to RCW 46.44.0941, mileage on state
6 primary and secondary highways shall be determined from the planning
7 survey records of the department of transportation, and the gross
8 weight of the vehicle or vehicles, including load, shall be declared by
9 the applicant. Overweight on which fees shall be paid will be gross
10 loadings in excess of loadings authorized by law or axle loadings in
11 excess of loadings authorized by law, whichever is the greater. Loads
12 which are overweight and oversize shall be charged the fee for the
13 overweight permit without additional fees being assessed for the
14 oversize features.

15 Special permits issued under RCW 46.44.047, 46.44.0941, or
16 46.44.095, may be obtained from offices of the department of
17 transportation, ports of entry, or other agents appointed by the
18 department.

19 The department may appoint agents for the purposes of selling
20 special motor vehicle permits, temporary additional tonnage permits,
21 and log tolerance permits. Agents so appointed may retain three
22 dollars and fifty cents for each permit sold to defray expenses
23 incurred in handling and selling the permits. If the fee is collected
24 by the department of transportation, the department shall certify the
25 fee so collected to the state treasurer for deposit to the credit of
26 the motor vehicle fund.

27 Fees established in RCW 46.44.0941 shall be paid to the political
28 body issuing the permit if the entire movement is to be confined to
29 roads, streets, or highways for which that political body is

1 responsible. When a movement involves a combination of state highways,
2 county roads, and/or city streets the fee shall be paid to the state
3 department of transportation. When a movement is confined within the
4 city limits of a city or town upon city streets, including routes of
5 state highways on city streets, all fees shall be paid to the city or
6 town involved. A permit will not be required from city or town
7 authorities for a move involving a combination of city or town streets
8 and state highways when the move through a city or town is being
9 confined to the route of the state highway. When a move involves a
10 combination of county roads and city streets the fee shall be paid to
11 the county authorities, but the fee shall not be collected nor the
12 county permit issued until valid permits are presented showing the city
13 or town authorities approve of the move in question. When the movement
14 involves only county roads the fees collected shall be paid to the
15 county involved. Fees established shall be paid to the political body
16 issuing the permit if the entire use of the vehicle during the period
17 covered by the permit shall be confined to the roads, streets, or
18 highways for which that political body is responsible.

19 ~~((If, pursuant to RCW 46.44.090, cities or counties issue~~
20 ~~additional tonnage permits similar to those provided for issuance by~~
21 ~~the state department of transportation in RCW 46.44.095, the state~~
22 ~~department of transportation shall authorize the use of the additional~~
23 ~~tonnage permits on state highways subject to the following conditions:~~

24 ~~(1) The owner of the vehicle covered by such permit shall establish~~
25 ~~to the satisfaction of the state department of transportation that the~~
26 ~~primary use of the vehicle is on the streets or roads of the city or~~

28 ~~(2) That the fees paid for the additional tonnage are not less than~~
29 ~~those established in RCW 46.44.095;~~

1 ~~(3) That the city or county issuing the permit shall allow the use~~
2 ~~of permits issued by the state pursuant to RCW 46.44.095 on the streets~~
3 ~~or roads under its jurisdiction;~~

4 ~~(4) That all of the provisions of RCW 46.44.042 and 46.44.041 shall~~
5 ~~be observed.~~

6 ~~When the department of transportation is satisfied that the above~~
7 ~~conditions have been met, the department of transportation, by suitable~~
8 ~~endorsement on the permit, shall authorize its use on such highways as~~
9 ~~the department has authorized for such permits pursuant to RCW~~
10 ~~46.44.095, and all such use of such highways is subject to whatever~~
11 ~~rules and regulations the state department of transportation has~~
12 ~~adopted for the permits.))"~~

13 "**Sec. 12.** RCW 46.68.035 and 1990 c 42 s 106 are each amended to
