5 On page 71, after line 13, insert the following:

6 "For the purposes of this section, opportunity to enroll shall
7 include, but shall not be limited to, the opportunity of common school
8 districts to enroll the same number of high school students enrolled at
9 each vocational technical institute during the period July 1, 1989,
10 through June 30, 1990, and the opportunity for common school districts
11 to increase enrollments of high school students at each technical
12 college in proportion to annual increases in enrollment within the
13 currently participating school districts. Technical colleges shall
14 offer programs which are accessible to high school students to at least
15 the extent that existed during the period July 1, 1989, through June
16 30, 1990, and to the extent necessary to accommodate proportional
17 annual growth in enrollments of high school students within currently
18 participating school districts. Accommodating such annual increases in
19 enrollment or program offerings shall be the first priority within
20 technical colleges subject to any enrollment or budgetary restrictions.
21 Technical colleges shall not charge tuition or student services and
22 activities fees to high school students enrolled in the college."
