5 "PART IV
6 BEFORE AND AFTER SCHOOL CHILD CARE

7 "NEW SECTION. **Sec. 401.** The legislature finds that school-age
8 children need the opportunity to attend a quality, developmentally
9 appropriate before-and-after-school care program. The cost of before-
10 and-after-school programs creates financial hardships for many families
11 and often results in children being left alone at home. A structured
12 before-and-after-school program can ensure the safety and welfare of
13 school-age children. The office of the superintendent of public
14 instruction, the department of social and health services, and the
15 child care coordinating committee shall develop a plan for
16 implementation of a before-and-after-school child care program. The
17 plan shall be submitted to the legislature by December 1, 1992."

18 Renumber the remaining sections accordingly.
