Background: The Secretary of State's office charges corporations fees to cover the cost of filing various documents. Fees are charged for filing documents such as articles of incorporation, articles of merger or consolidation, and applications of foreign corporations for a certificate of authority to conduct business in the state. Nonprofit corporation filing fees are lower than for-profit corporation fees, and range from \$5 to \$20 per document.

Summary of Bill: Nonprofit corporation filing fees are increased. The new fees range from \$10 to \$30 per document, depending on the type of document.

Fiscal Note: Available.

Effective Date: The bill takes effect July 1, 1991.

Testimony For: The current fees do not cover the costs of processing documents for nonprofit corporations. The increases will bring the fees more in line with the costs of processing documents.

Testimony Against: None.

Witnesses: Donald F. Whiting, Assistant Secretary of State; and Sharon Foster, YMCA's.
